## Dear Philadelphia

### A poem to bring you home

O Dear Church with so strong a number, please wake up, there is no time to slumber!  
YESHUA is returning - soon He'll be back, will you be found ready, or will you lack?

The psalmist's pillow is wet with tears - wayward paths bring many fears;  
For all the friends that forget the Torah - oh hear the call those of Philadelphia

Hear and obey this message for good, GOD demands this if you would.  
For you to be righteous all throughout; there need be changes without a doubt

It's not about programs or members you show; holiness is how you must grow.  
Righteousness is what's needed for you; the Torah will show you what to do

The psalmist personally knows your ways - at one time living them day by days;  
But then in heart did a light shine - The Torah – His way – Oh so fine

YESHUA redeems, His salvation He brings; to those who are ready to live for the King.  
Through righteous observance of His laws, this is how you can correct your flaws

Knowing that it's not just about the letter; but living Torah with love be the better.  
Adding to mercy and grace what is right; lighting the way – shining the light

Without obedience and joining His fight; standing before Him will just be a blight.  
YESHUA can cleanse all of your sin; hear the call of Torah, be obedient to Him

What our Bridegroom wants for you, is a heart that remains faithful and true.  
To live in obedience to the Father above; that would be His definition of love

Don't you want to be the bride? All in white standing at His side?  
The bride is adorned in white so fair; all holy and righteous, the regal pair

Oh please don't the psalmist's heart break; praying for friends to receive – to take.  
The sweet sounding call of His Torah; beckoning home those of Philadelphia

For in this wedding feast of the best, will you be bride or just hoping to be a guest?  
The guests are not so white, just friends of the Groom, not holy – not right

Saved by grace, is this all you feel? There is more He desires for you to be real.  
Yes, His grace is freely given; to those who repent and change their living

Please children don't delay - don't faint; Philadelphia is the church of the saint.  
Oh how the psalmist pleads with God all the day; that friends won't be swept away

Be like Magdala crying at His feet - There YESHUA with grace and mercy did greet  
Accepting the heart – pure and repentant; weaving into her love for the covenant

Please seek the Torah filled life away from sin; then you'll be Israel - grafted in.  
Holiness is what is desired for you; His Torah will instruct you on what to do

Eat what He says, if holy is your goal; He has holy rules - you should be told.  
It's all in His word - easy to be seen; black and white print for you to be clean

His Law is not old or in antiquity; it is how He will judge all with equity.  
He knows you're not perfect in everything; effort of heart is what you need bring

Just start with the ten, celebrate the Feasts; remember His Sabbath to keep.  
The Son paid the price for all; we're redeemed by His blood - IF you heed the call

To live life repentant, following His ways; oh how glorious it will be on that day.  
When before the King you will stand; to hear "Well done, you lived my commands"

The psalmist will continue to pray; for those of Philadelphia to find their way  
Heed the call saints – it is time to repent; this is why Torah from Heaven was sent

Won't you turn psalmist's tears to a smile; please listen He is calling all the while.  
Desiring that His own will heed the call; escaping those captured in the last fall

Oh my dear Philadelphia so sweet; grace and truth do surely meet.  
With a heart that loves and lives Torah; is when you be in Philadelphia

For the church of YESHUAH is surely the church of the saint  
Come home my friends the psalmist prays and won't faint!

## **Come Out of Her My People**

To the Philadelphians in Babylon  
Comes a message for you from beyond  
From a heart and place in Philadelphia to you  
Please listen - I will tell you what to do

Come out of her my people, God said  
You have been entrenched in what is dead  
For if you don't come out of her  
Your end will be not what you prefer

The church across time became something lost  
The Hebrew faith expunged, Jews paid the cost  
You gave up the commandment - like Adam did fall  
You gave up Moshe, and all of the laws

This Babylon is defined by pride  
About lawlessness, she is no bride  
She stands viciously against the holy covenant  
Making the slumbering souls not to repent

Your Yochana cares so much for you  
I was entrenched there one time too  
God brought me out in joy and pain  
Joy in Him but hurting all the same

To leave you and all that I knew  
For something better, to be like a Jew?  
Hebrew prayers and music all changed  
Nothing of worship remained the same

Immersed in Torah, learning what is sin  
Now I know far better how to serve Him  
God wants us holy, that's not just a feeling  
It comes by learning and praying for His healing

Yes, it is about the love, yes the love for you,  
Of Yeshua, our God, and our neighbor too  
But the love that Yeshua declared and demands  
Would be for you to obey His commands

He said it clear and plain for all  
"If you love me, obey My laws"  
It's about a holy God and His commands  
I pray crying so hard that you will understand

Please don't study just the new  
The old is there for learning too  
But for His goodness in you to come out  
Chase after Torah, be clean and devout

You cannot say "I just believe"  
Without knowledge, nothing is received  
You can be blameless in His statutes  
If you set your heart to learn the truth

The rules do not make salvation come  
That is accomplished by Yeshua the Son  
It's not just about what you believe it to be  
But the effort in doing is what God really sees

To be to God, so willing to do  
All His precepts laid out for you  
He sees the doers with hearts circumcised  
As those who love Him with opened eyes

We all wait for the day of salvation  
When before Yeshua, appear all the nations  
Salvation is not just a waiting game  
Without chasing righteousness, the wait is in vain

For the LORD is righteous, His rules give light  
Tremble in fear, pray you get this right  
The wicked do not seek but condemn His law  
Please pray for open eyes, meditate in awe

Please heed the call the time is near  
Live the commandments, God you should fear  
The ones who will be waiting for Him  
Are performing His statutes until the end

My strong desire is no thing you should lack  
Follow His Torah, God has your back  
Yeshua is the living Torah, Word in flesh  
Only He can save and be your righteousness

Come out of Laodicea please listen to me  
The church of Philadelphia is where you should be  
To that place of both the truth and grace  
The place where together we seek His face

To His laws incline your heart  
Genesis is a good place to start  
Then to Revelation you should read  
His Holy Spirit will provide what you need

That His Word, alone should stand  
His story, His songs and yes His commands  
You must learn how not to sin  
Learn what things are pleasing to Him

Understand the greatest gift given to thee  
Was the sacrifice of Yeshua on the tree  
His perfect blood atoned for your sins  
Oh please repent and turn to Him

Lay aside the doctrine of man  
His Word should be your only command  
All that is needed is there for you  
In His scriptures, all the way through

Make a new life apart from sin  
In Philadelphia is where you can begin  
To live this new life listening to the Lord  
With those who love and obey the Word, His sword

God has loved you through all time  
In His promises you'll find new life - a sign  
Please come out - this is my urgent plea  
Be no longer immersed in Laodicea

Come out of her my people, Philadelphia please do  
Yochana and others are waiting for you  
This is not difficult but it is a life or death task  
Don't you want to be first, not last?

Babylon will not repent and God will never fix  
Please listen Philadelphia, with Babylon you can't mix  
Come out of her His people, you that are my friends  
Please don't stay in Babylon, such a frightful end

So often, for you all do I pray  
Asking God please show them the way  
Please know that the times now be in season  
Messages to Philadelphia I send, for this reason

## A PLEA TO LAODICEA

O you saints in Laodicea I just yearn for the day,  
When you come out of Babylon to stay.  
To Philadelphia, where you truly belong;  
Worshipping G\_d with praise and song.

Living the Torah and loving Yeshua;  
May this truth be in you forever.  
Hear my words, I am calling you out;  
I know only the Father can bring this about.

For this is the way in which the Father works;  
Using His vessels here on earth.  
To spread the truth and His love;  
To the poor in spirit, He fills them up.

The evil one desires to stop my message;  
But for your sakes I will keep expressing.  
The words and music you need to hear;  
May the LORD open your hearts, and ears!

To Philadelphia you must come with haste;  
Leaving Babylon behind, no time to waste.  
I pray dear church you would now listen;  
Please come out of her now all you Christians!

A circumcised heart is what you are needing;  
Please know to the Father for you I am pleading.  
That you would turn back from the delusion;  
Leave Babylon behind and all its confusion.

How G\_d's word and ways it did confound;  
The resonance of truth it did drown.  
You must understand Babylon is no place to be;  
That being the Church of Laodicea.

For Yeshua is calling you back to Him;  
To live a holy life apart from sin.  
His Torah spells it out so clear;  
What you should do and whom you should fear.

Babylon draws so many saints in;  
Just wanting G\_d's people to partake in her sins.  
My heart is breaking for you and I pray;  
Come out of her and don't suffer her plagues!

Babylon is filthy and abominations reside;  
Sin overflowing, unrighteousness and pride.  
It is the habitation of this wicked generation;  
Please repent of your sins and seek separation.

The Church of Philadelphia to you is beckoning;  
May you come out before the day of reckoning.  
Yochana is here to sound the warning;  
Yeshua is coming, the nations are churning.

I feel for you as I also once knew,  
The church in Babylon was where I grew.  
Little by little the truth slipped away;  
Making the church what it is today.

Empty on obedience, a Savior not a Jew;  
A false Messiah, not Yeshua true.  
For Yeshua is obedient to all of G\_d's ways;  
Being our example to follow and not stray.

Yeshua came as a lamb seeking Israel lost;  
He loved them so much, with His life paid the cost.  
He gave it for them so they could then find;  
Life eternal with Him, in His kingdom reside.

Where holiness counts, a way of life for sure;  
It's living in righteousness, keeping yourself pure.  
Yeshua and the Torah are all the truth you need;  
May you come to Philadelphia, this I plead.

For Babylon has sold you a lie;  
For centuries it grew no one questioned why.  
The enemy just doesn't want you to see;  
What's wrong with your church in Laodicea.

The money, the crowds, what is your purpose?  
Some of your worship to G-d is a circus!  
The service sometimes is full of chaos;  
The Prince of Shalom will have none of this!

Falling and writhing on floors so profane;  
That's not from G\_d, not through His name.  
This is not what worship should be;  
Do you really think that is holy?

Don't you know how many saints there have died?  
The Harlot has martyred them all in her pride.  
You are drunk on the wine which she is giving;  
You've bought into her lies and now need forgiving.

You say you are rich and have need of nothing;  
Neither hot nor cold, but lukewarm is not a good thing.  
You really are poor, naked and blind;  
Open your eyes and leave Babylon behind!

You have focused on money and material desires;  
G-d so wants you refined as gold in His fire.  
For you HE loves and desires to chasten;  
Repent of these sins, Laodicea please hasten!

I yearn for you to look deep within,  
And how you have slowly partook of the sins.  
The Harlot has destroyed all of G\_d's laws;  
The church bought in, that is its flaw.

Babylon's death is coming all in one day;  
Famine, burning and mourning of plagues.  
So you see how urgent it is to flee?  
Get out of Babylon and Laodicea!

Laodicea please come to your senses;  
Away from Babylon and all her offenses!  
For you are still so special to our LORD;  
I am calling you to Philadelphia with heart outpoured!

Now is the time to get things right;  
Come out of her into Yeshua's light!  
The living Word, rules proclaimed;  
Live life in obedience no longer profane.

To repent and desire to be made new;  
Yeshua our Savior is waiting for you!  
G-d calls you to be zealous for all of His ways;  
So you'll be clothed in white on that day.

Please understand what all this means;  
You must come out now and be made clean.  
Holy and righteous following Torah;  
To be made ready when Yeshua comes for us.

Then you'll know without doubt,  
Why my zeal in calling you out.  
For that day may we all be in one accord;  
All of Philadelphia with our LORD.

## Woe To The System

My heart is sad because of the system;  
Which has lured God's people into no submission.  
It's succumbed to manmade feasts and times;  
Ignored the Holy One's rules in such sublime.

The system is steeped in lawlessness,  
That be Babylon's sweet caress.  
Stay with her, the harlot has sworn;  
All of God's laws she will scorn.

The anti-messiah is at work in her too;  
Hiding from many the Messianic truths.  
Messiah did come, the sacrifice lamb;  
He's returning again to rule the land.

Babylon has its hold on you;  
Come out of her is my call so true.  
God has commanded His Holy Days and Feasts;  
You pay no attention to them in the least.

You have replaced them with days of your own;  
This is from the adversary, his seeds were sown.  
To lead God's people ever astray;  
To keep them from celebrating His Holy Days.  
Come Out of the System Yochana bat Zion

Those special times all in His seasons;  
Blessed and holy and all for good reason.  
All things in His time, true worship experience;  
Babylon has lured you into disobedience.

My LORD is looking upon you forlorn;  
O that more would heed this warning!  
Come out of her and study His word;  
From beginning to end is what is preferred.

The return of Yeshua is clearly at hand;  
There's little time left for you to understand.  
The adversary, anti-messiah has ruled over you;

Conniving, convincing that there be nothing to do.  
But be saved by grace, that's all you say;  
Things don't happen quite that way.  
You are deep in the error of lawlessness;  
O please come out of her and beg forgiveness.

If the righteous are scarcely saved;  
What will be your outcome on that day?  
Study the Torah, meet Your Messiah;  
So to be ready for that day of fire.

The trumpets will blast, shofars will sound;  
God's people will know and not be confound.  
By this spectacle, frightening as it seems;  
Will you be saying what does this mean?

Yeshua the Judge is right at the door;  
Removing the chaff from the threshing floor.  
He is coming to clean up the earth;  
The places of worship is where He'll go first.

The judgment is based on Moses you see,  
Whether Jewish Synagogue or Church in Laodicea.  
The Law of His is our guide for living;  
Yeshua the Savior is for our forgiving.

Only the church of Philadelphia will stand;  
Where the flames of righteousness be fanned.  
In order to be with this so small a band,  
You must come out of Babylon's hand.

All your doctrine and Talmud too;  
Don't you see they're just not true?  
Manmade is not what a Holy God demands;  
He wants obedience to His own commands.

You should not add or take away;  
From His holy Word, the scriptures say.  
Just be dependent upon the Word;  
Pray for understanding to emerge.

There was time not so long ago;  
When I was missing what was needed so.  
My God called me out and I did heed;  
Now forever out of Laodicea.

I immersed in the Hebrew and learned the Law;  
My faith in Yeshua ever the more.  
As I traversed the Torah, week by week;  
Even more clearly did Messiah I see!

I cannot express my joy in doing;  
Shabbat and Feasts, His times pursuing.  
O the pleasure given to those;  
On His appointed times, blessings bestowed.

Please hear my heart crying for you;  
Both church going friend and fellow Jew!  
There is only one remnant left in the land;  
For Yeshua and commandments they take a stand.

Those are ones Yeshua will see;  
Waiting, persevering so holy.  
Anxiously awaiting His return;  
For His kingdom come they will yearn!

## Turn To YESHUA

I have an important story to sing;  
Of my Yeshua, the coming King.  
I think of those who do not yet know  
Of the Messiah returning and how things will go

They must first hear in order to believe  
To turn away from sin and to Yeshua cleave  
For so many years have already gone by  
Time is short, stars are aligning in the sky

Through signs and wonders He makes Himself known  
Eyes and ears open, I can recount what He's shown  
Angels, music and shofar sounds  
The veil was lifted, heaven abounds

But only for those who choose to receive  
Not all will see, not all will believe  
The realms do converge when the prayers of the saints  
Go up like incense, to the Father He waits

Searching the earth for the righteous ones  
Those who are righteous because of the Son.  
Who have faith in Yeshua, not afraid to do  
Working for the kingdom, so all can be made new

Yeshua proclaims the Kingdom of Heaven  
He is salvation for those who would have Him  
Israel His people belong to Him  
He chooses His own, He can forgive their sins

O what a path to glory I've found  
I wait for the day the trumpets will sound  
The blasting, the shouting will loudly proclaim  
"The King is coming, Yeshua is His name!"

Now is the time to make a decision  
Cry out to Yeshua soon all will see Him  
Be immersed in living water, washed free from sin  
Start your new life and live only for Him

Read through the scriptures, to Him you should pray  
Father through His Spirit will give you words to say  
Yeshua brings punishment and rewards when He comes  
To pay back all according to what they have done

The Alpha and the Omega is coming real soon  
The First and the Last, He is the Bridegroom  
Repent now, right from your heart  
Obedience is the good works scripture talks about

For Yeshua was the most obedient Son  
Doing Father's will, getting it done  
True faith is an action, it must be seen  
Following commandments is what this means

So please listen, those who be chosen  
Turn to your G\_D, return this moment  
Salvation will only come through Yeshua  
When he returns and makes all things new

Believe in Yeshua follow the Son  
Believe in the scriptures and all G\_D has done  
For the words on those pages are your very life  
They will bring you to holiness, make everything right

The Yom Teruah days in the past  
Heralded Kings with the trumpet blasts  
The return of the King Yeshua be soon  
Could come about on Yom Teruah, the new moon

Repent from sin and follow His ways  
If you want to be with Him in that new day!

## Repentance Time

Oh ponder Him people the One amidst seven candles  
Author of creation – everything He handles  
The Alpha and Omega listen – do make haste  
Holiness and Righteousness he wears around His waist

His head and hairs they be so pure white  
Eyes a flaming fire – He is ready to fight  
He is burnished as brass but no time to rejoice  
He comes in judgment with His thunderous voice

Oh Ephesus thou has labored so strong  
My Name thou has kept in thy song  
But the first love – the Torah thou hath lost  
Losing thy candlestick – oh what a cost

For Smyrna – oh yes I be alive quickened so fast  
I am Yeshua the first and the last  
Yes I did require that you suffer much for Me  
But thy works stand as light against false church blasphemy

As for Pergamon some have kept my Name and word  
But I shall come and with Me shall be my sword  
False doctrines and riches of Balaam thy shepherds so desire  
When I come things shall be oh so dire

Now Thyatira My real believers work tzedakha and love  
But true faith and obedience away do the leaders shove  
Oh Jezebel thou with haSatan are surely in league  
Thy ways make the High Priest come to fatigue

Woe to Sardis yes thou are asleep  
Thy works are really nothing to keep  
Like a thief in the night to you shall I visit  
Thou are as dead – thou shall miss it

Bless Philadelphia – these who have both  
My Name and My torah – in white shall I clothe  
Thy works shall I present behind the Heavenly door  
Though you be small – I shall bless all the more

Oy to Laodicea – thou are nothing but lukewarm  
Ready thyself for I shall come as a storm  
There be nothing in thee that I want for Me  
I shall testify against you – just wait and see

Your Yochana is trying to let you see  
How seven churches have passed – but they still be  
Oh how Laodicea remains guilty and does not repent  
They listen not to the Heavenly messages that are sent

In one generation all sin shall be filled up  
Oh please listen for G\_D's wrath overflows its cup  
So much rhetoric and purported faith – yes it be loud  
But you be nothing more than the popular crowd

But then again there shall be the clean – the few  
Persecuted for My Name and My Torah too  
But I am the faithful witness and I shall confess  
Their innocence before Me – to my Father I profess

Oh please listen – the psalmist does call out  
With everything she has – she does resonate and shout  
So much suffering for false faith – will come the pain  
Please be faithful – there is so much to gain

The things that are needed – of what to repent  
Have been revealed by Heavenly message sent  
Thou hast forsaken the Torah – in the Ephesus day  
Left the roots of Israel – went your own way

To follow the doctrine of Balaam chasing goods  
Mingling in pagan practices – just because you could  
Playing politics instead of being faithful and true  
Just looking to keep fannies and wallets in the pew

Ultimately becoming ignorant and dead declares the Lord  
Oh please turn back- repent – this guilt you can't afford  
Oh please see and taste the goodness of G\_D  
For the remnant who upon His Name and Torah won't trod

To begin there is the life-tree in paradise  
How wonderful no second death – no surprise  
And what of the great crown of life to receive  
For you hidden manna Yeshua will retrieve

How lovely to receive your stone – your new name  
To be clothed in white – the raiment without shame  
And rule with Yeshua over the nations afar  
Oh to receive Yeshua – the bright Morning Star

Still more your name be in the book of life – how great  
Yeshua shall confess thee to the Father – oh what a fate  
Made to be a pillar in the Temple of fame  
Circumcised with the Father's, Yeshua's and the new City's Name

Oh yes to be echad – all as one singing special chord  
Forever praising and worshipping our Beloved Lord  
Please see how the Lord does want to bless  
Giving those elect His blessing oh so best

For those that repent and can overcome by Yeshua's power  
You shall be His delight – His beautiful flower  
Can you feel the psalmist's urgent plea  
Yeshua is coming – won't you listen to me

Psalmist's heart is breaking each and every day  
Please don't let anything get in your way  
Turn back to G\_D – do it right now where you are  
Let today be that day – tomorrow be ever so far

Yochana is praying for you – oh please do listen  
So much shalom and joy you don't want to be missing

## Idol-a-Tree

In G\_D's WORD we look - all throughout we see  
Is the horrible blight on men - sin be idolatry  
Even from the start - no escaping the test of the tree  
All humanity did fall - all were there yes you and me

We see how trees be beautiful - wondrous even more  
Blessings given from G\_D - from trees do blessings pour  
But quickly did spring the "Asherah" - set up in high places  
Idol trees were raised up - profaning Heavenly faces

So spiral through the ages - idol myth and legend  
Down the idol path - ancient man did us send  
Seeking all their knowledge - pine cone and third eye  
Such idolatry - doth make this Psalmist cry

But now the idolatrous knowledge game - gives way to modern guff  
Under the idol tree - mankind worships stuff  
Let us revel in our things - let us gather around the tree  
Let us get all that we can - let our stuff just make us free

Do the sons of men consider - what this tree thing be about  
Was your christmas celebration - made so the holy thou can flout?  
Bring your children under it - bring them sound the call  
Set them up around the idol tree - set them all up for the fall

There be so much to say - this tree thing be important  
G\_D's WORD tells us so much - about the holy covenant  
Man be like a tree - bearing produce bad or good  
If thou be an idol tree - thou be cut down to burn as wood

Would thou not be like the willow - standing firm beside the stream  
Giving Heavenly produce - sending light out as a beam  
Please consider wisdom - G\_D's WORD it doth teach  
Be the willow by the waters - the Psalmist does beseech

Who doth light the candles - upon the Chanukiah  
Who doth bless the light - who really worships our YESHUAH  
Our LORD of LIGHT doth beckon - dedication makes us fine  
This Psalmist she doth call out - YESHUAH's light doth shine

Put away the idol tree - listen to G\_D's ways  
Shed the pagan practices - it be idolatry at play  
Harmless it may seem - deep down treachery doth fester  
Burn the christmas idol tree - Chanukkiah's light be so much better

We see where there is idol trees - they be all around  
And in the sons of men - doth idolatry abound  
Break the Psalmist's heart - sons of men thou do  
All throughout this season - Yochana prays for you!

## Yirat HaSHEM

Who doth not fear THEE G\_D most high  
Who doth not squirm and upon the pillow cry  
Oh how knowledge of sin upon soul doth tare  
All would be lost without our High Priest there

Pray YESHUAH declared - pray to withstand  
The glorious coming of the Son of Man  
Yirat HaSHEM is the beginning of wisdom  
Oh please listen - for soon comes the kingdom

Even belief and the joy of grace  
Doth not stop flowing tears from the face  
For all fall short of the glory and requirement  
Who claims to be righteous - according to the covenant?

Oh YESHUAH come and save me yet again today  
I fear only Thee - Thy power and Thy way  
Love me all over - tell me what I do wrong  
Weave into me Thine obedience song

Oh the fear and terror felt for those  
Who keep their ears, eyes and hearts closed  
Psalmist prays so very much for self and others  
Hoping that more become sisters and brothers

The Talmid revealed it be a terrible thing  
Put before a righteously angry ELOHIM  
Oh please be afraid - now be the time to repent  
Oh how death – doth hover and not relent

It is good to fear G\_D most high  
Of judgment's storm HE be the eye  
Seeing all things - nothing be hidden  
Please relent - let thy soul be smitten

Think not Yeshua be only blind love  
Never changing is HE - righteousness from above  
All things done in life shall be reviewed  
Oh who can withstand such - any of you?

Please repent for real - don't think thyself exempt  
You say you be saved - will you be found unkempt  
Who hath ascended into Heaven to see  
In the Book of Life - whose names there be?

Onslaught surrounds us each and every day  
Pulling us harder - to drift and stray  
Who doth not drift some - who walks only straight  
Please repent - cry thy tears - before it be too late

Confessions to High Priest - we must present  
Oh Psalmist pleads - I shall never relent  
For offerings be made in accordance to HIS days  
Don't question ELOHIM - who can no HIS ways?

Oh LORD please never away do take  
Thy RUACH - only for THY name's sake  
Who shall praise, sing, worship and serve  
If all of humanity receives what we deserve?

Yes indeed Yirat HaSHEM be a good thing  
Psalmist loves even the conviction HaRUACH doth sing  
For in conviction to HIS altar can we run  
Seeking mercy and grace by Yeshua the Son

Our ELOHIM be both the storm and the calm  
Yochana prays more run to HIS palm  
Where G\_D doth surely thee engrave  
Thy very soul - for Yeshua to save

Please hear Yochana - terror doth resonate  
For so many doth death's sting await  
Tears flow from this psalmist - falling on my pillow  
Will thou be the chaff or a sure standing willow?

There be no wisdom where there be no fear  
ELOHIM knows if thou doth shed tear  
Open thy hearts - resonate and sing  
Kiss the Son - before judgment HE brings

## Song of Ephesus for Today

To G\_D's people who do trust – Mashiach YESHUAH is the mount  
Oh yes HE is the ONE – upon WHOM daily saints do count  
G\_D chose saints long before time – they shall be clean in HIS Torah  
Those who be of HIS realm – those destined to be “Haya”

Just to bring HIM praise – commensurate with glory of HIS grace  
Oh how soul love burns – to love face to face  
For revelation doth prevail – truth of G\_D yes HIS  
Destined to be delivered – the right time such as this

For HIS Kingdom shall be grand – destined to really thrive  
Now be time to consider deliverance – who will and won't survive  
For promise of inheritance – be for those who trust and believe  
The call is just a call – chosen be for the few who do receive

Partition wall be broken – now the realms converge  
It be the saints who discern – how G\_D's plan now doth surge  
For breadth, and length, and depth, and height – yes Paul gives a clue  
Can survival realm be measured – Psalmist calls out to you

Community be outfit now – with signs and gifts to take  
All the parts and anointing be given – to withstand when all things shake  
Each to play their part – for no part indeed be small  
Love of brethren doth abound – blessings upon one and all

Knowledge of G\_D it doth descend – RUACH be Heaven's rain  
Revelation of YESHUAH – Psalmist cannot refrain  
To speak of G\_D's great mysteries – crying out to all the saints  
For tribulation be unfolding – be strong and do not faint

Don't listen to those who say – we be surely saved  
If there be no holy love of the gifted – they be headed for the grave  
There be no visits to Heaven – no one but YESHUAH before the throne  
Haya realm be coming to Earth – Psalmist has been shown

If thou doth inherit from YESHUAH - thou can surely redeem  
Authority to take from old man – even mortal time to Paul it seems  
Who doth consider this mystery – again the Psalmist asks  
Redemption of the wicked days – still a slave but now to holy tasks

The HaGOEL doth give thee – chance to be new man  
Chance to battle the old – wicked powers can you understand  
For slaves we now must be – to idolatry or to MESSIAH KING  
If RUACH doth be dwelling – holy soul love thou shall sing

Oh how funny it now seems – how things to G\_D can be so true  
When to temporal mortal man – we laugh without a clue  
So many who seem to stand – shall be sorely swept away  
Messiah says HE never knew thee – soon will come that day

Oh please do make the Aliyah – an “olah” be thy song  
Let G\_D’s SPIRIT Sword do lead – down the path so long  
For YESHUAH doth reveal – to men the FATHER’s will  
Psalmist doth cry out – while little time there be still

Yes Ephesus song be heard – another Prophet message brings  
Psalmist doth remember now – the message she doth sing  
Convergence of all realms and things – oh yes there be one bull’s eye  
Thou cannot miss the mark – if be in thee YESHUAH chai

Against wicked principalities and powers – the Psalmist takes a stand  
There be no choice of course – this be YESHUAH’s command  
Oh Ephesus thy first love – oh yes where be thy love  
Why doth thou scorn the gifts – why doth thou scorn the dove

## Gospel Song

So many sing about – all the saving Jesus does  
But oh so few do sing – about the way it really was  
They don't sing for instance – of the great Heavenly Rabbi  
They don't see the real YESHUAH – they don't even try

Oh great Prophet to come – HIS Torah it must be taken  
Even Moses considering HIM – surely he was shaken  
Promises of ELOHIM's servant – first to heal and bring light  
Then to come again in glory – restoring what is right

Casting out the demons – healing all the woes  
In the midst of tribulation – HIS power did HE show  
And now the demons do run rampant – society doth ignore  
Now we need HIS power – we need HIM all the more

Where is THY power LORD – when all the world doth scorn  
Come to us who mourn – come to us who are forlorn  
Souls cry out to THEE – we be on the last straw  
Transforming waters of life – we are thirsting so to draw

Make us talmidim – please make us covenantal  
Fill us up with THY RUACH – yes please do make us full  
Give us eyes to see – ears to hear – Shema  
Make us like Daveed – the heart that loves THY Torah

Fill us with the heart – that like a child does believe  
Realms do intersect – THY Kingdom we do receive  
Let THY good news sweep all over us – a WORD doth make us change  
Fleshy heart for stone – for some the great exchange

Let us follow THEE YESHUAH – with gifts and with a charge  
All to bring THEE glory – THY Kingdom to enlarge  
Putting down all worldly desires – chasing THEE our fate  
Let us shine THY light – please let us resonate

So many try and labor – but not in THY way or in THY rhythm  
They pursue THEE LORD – within the confines of their system  
But they be on no great Aliyah – they travel here and there  
Not listening to THY will – thinking they don't have to care

Each walking oh so straight – according to their own mind  
Never stopping to really listen – never able to find  
The truth that be THY WORD – tis LIFE that be alive  
Instructions on the charge – truth that lets us thrive

Please GOOD NEWS do set us free – let us submit to serve  
Show us where and how to walk – please don't let us swerve  
Tribulation all around us – relentless dark powers do persist  
Instill in us true faith – by THY power we can resist

Let THY Torah stand so tall – as commandment with all love  
Weave in us the FATHER's will – holiness from above  
Keep us from the Pharisees – take us to THYSELF  
Oh King, Helper, Savior and Shield – THOU are our only help

THY RUACH great YESHUAH – stands before the Throne  
Let IT come upon us – our way let THYSELF be blown  
“Fear of ELOHIM” be first – then “wisdom” – “counsel and might”  
Comes “anointing” then “revelatory prophecy” – “real life” it be right  
Then there be the very best – Spirit to take us home  
All THY RUACH when it be in us – we be perfect – we be “shalom”

THY WORD it be so mysterious – what is possible be so wild  
How opposites can be true – being wise while being like a child  
Let us sing THY GOSPEL song – with each day as we live  
Ever mysterious Aliyah – wondering what THOU will give  
G\_D be so amazing – wondrous in every way  
We wait upon THEE sorely – WORD please give to us this day

## Wandering Aramean

Abraham did sojourn – pack up and did leave  
Blind faith we did see – yes he did believe  
Journey yes he did – yes the first to cross  
Giving up it all – not concerned about the loss

Oh what great redemption – yes by covenant  
Grace be given oh so great – surely Heaven sent  
Tired and so old – faithful to the end  
Wandering Aramean – yes he was G\_D's friend

Likewise for royal firstborn – Isaac he was spared  
Faithful was our Abraham – though he be so scared  
Picture of redemption – inheritance of Abraham  
Follow in his footsteps – follow anointed King of Aram

Who be this special KING – Psalmist she doth beckon  
Answer be in G\_D's WORD – this of course be how we reckon  
Chaza'el be mystery – yes great King anointed  
Over Aramean Kingdom – "HE who sees G\_D" is appointed

But Aram be long gone now – what be this Kingdom great  
What say ye of the promise – what of Abraham's fate  
From great sea and to great river – yes this be the border  
Sea unto the Jordan – oh it seems to be much shorter

So what about this land – promised to Abraham  
What about this land – promised to one of Aram  
Yes there be dear Israel – yes she has her KING  
The rest of Abraham's promise – from where shall these one's sing?

It be about the firstborn – when oneself to G\_D present  
Paul tells us to redeem the days – so on Aliyah they went  
For we be nothing but a wandering – Aramean like our father  
Faith to leave it all behind – like Abraham don't bother

What is it thou shall say – when dedication bell doth ring  
Psalmist she doth ask – what then shall you sing  
Like my father before me – my life like his has been  
I be a simple sojourner – a wandering Aramean

Please don't run to find – thy Israel land inheritance  
If thou be of the nations – look for thine within the covenants  
For a place there be for sure – yeah those of the other fold  
Confidence do have – G\_D's WORD ye have been told

Dry land be reborn – deserts they shall spring  
Compliments of Chaza'el – the Aramean KING  
Truths be given to us now – so that the many shall not fret  
Inheritance of Abraham – redeemed shall share and get

## No Contradiction of Truth

Apologists do try – explain away contradiction  
Oh silly apologists – where is thy conviction?  
For G\_D be so above us – HIS ways be so different  
There be no contradiction – snares for sure were sent

You say YESHUAH preached – you say YESHUAH taught  
Not to judge at all – surely you'll be caught  
For discern and judge you shall – by RUACH and by faith  
But only with appointed authority – decision can thou make

Don't argue with a fool – came wisdom yes it did  
Secret of no judgment – do you think its hid?  
Walk away real fast – but let not tongue declare  
Leave judgment to the judges – don't make thyself be bare

Two truths be at the same time – can you see the glory  
Opposites be true – if you dig to find the story  
Perfection in G\_D's order – if we understand  
Judge without leshon hara – let judges reprimand

All throughout G\_D's WORD – doth the snares be set  
Contradictions be not there – if the truth you'll get  
Ignore how WORD be given – say in heart we not need context  
No end to what you'll make up – more lies do come next

Where now be thy judges – Elders kept in silence  
Rabbis, Priests and He-goats – soon there be come uppance  
Render judgment yes you do – judgment waits for thee  
Not following G\_D's great order – this you just can't see

Mashiach has won the victory – why then doth not light prevail  
Why doth darkness howl – evil wind blows as a gale  
Oh how time be short - for enemy who was appointed  
Hear how our King Daveed – would not lift his hand against the anointed

See how opposite revelation – doth not the truth negate  
Even King Mashiach – upon ELOHIM doth await  
Power in HIS hands – judgment HE could take  
Submits to perfect ways – for the FATHER's sake

Let not confusion weary thee – let not thy mind go astray  
Seek truth amidst the opposites – let wisdom have its way  
Follow what was taught – YESHUAH with judgment doth set the snare  
Cast the first stone without authority – do it if you dare

Can you see hypocrisy – so great now in Bavel  
Gnashing teeth of rebels – oh what lies they tell  
Or even if some be right – nothing left to appointed authority  
Leshon hara doth reign supreme – wagging tongues set free

Be silent yes Paul says – don't declare don't judge  
From the truth however – you don't have to budge  
Fools be fools its true – let authority make that call  
Let thy truth stand in silence – let the truth stand tall

For authority in dark days – it be so unjust  
Submit to it you peoples – yes you surely must  
For the peoples you did get – the desires of thy heart  
Demanded human kings and judges – now peoples be ripped apart

## Tzitzit Blues

Do this - don't do that  
Don't touch or sit - where the unclean were at  
Could it really be - that commands were only for the old  
G\_D is the same now as before - is this not what we were told

Doth thou man ponder - yes KADOSH is the word  
Could it be of this - thou never hath heard  
What doth this mean - be HOLY thus says the LORD  
Does it resonate at all - does it vibrate a chord

So you say - Mashiach has washed all clean  
No longer need holiness - is this what you mean?  
So eat your bacon and shellfish as well  
A new covenant song - this you goyim tell

Go on ahead - celebrate new days as you will  
Render what G\_D did command - in your hearts to be nil  
But not thee Jacob - do hang onto thy ways  
Yes hold on tight - now here be the end of days

But thou Jacob - won't thou really seek the new  
Mashiach YESHUAH - oh so long calling for you  
For thy light be so dim - without HE WHO is light  
Psalmist doth cry - who shall actually get it right?

For the command of old - oh so tested and true  
Yes even down - to the threads that are blue  
Be holy says the LORD - for Torah it doth sanctify  
Made holy by HIS WORD - great YESHUAH CHAI

But ye be reformed oh Jacob - so many liberal in your ways  
Growing more secular - yes day by day  
Or maybe presenting thyself - so righteous and orthodox  
Show us how righteous - how nice are thy locks

Thy pretense Jacob - oh where is the love  
Commanded by ADOANI - from so high above  
Separate thou are - just as thou are supposed to be  
But what of the light - were you not to be shiny?

And oh you Messianics - so many games be afoot  
Where is thy truth - where do thy hopes do thou put  
Numbers and funding - coming from goy WHO G\_D doth send  
But thou seek the favor of Judah - whom you woo and blend

So Psalmist doth sing - to hearts that desire the holy  
Not the haughty or stiff-necked - she doth call to the lowly  
Message be the same - from the beginning from of old  
Message be G\_D's WORD - just as we were told

Perfecting G\_D's love - be seen by love in community  
Signs, wonders and gifts - come from love and unity  
All parts be different - but equal all the same  
Put thyself above others - thou be looking only for fame

Oh lovely people - spurn not the way so clean  
Turn towards holiness now - put on love's sheen  
For holiness like iniquity - it be like a cup  
Let G\_D empty all - then pray HE fills up

HOLY HOLY HOLY - yes v'yikra be the call  
Don't be put off by Leviticus - there be no reason to stall  
Let the Aliyah commence - don't walk as thou think straight  
Follow the Torah ye believers - let holiness be thy fate

Why not have it all - both holy and the grace  
Invitation for goyim and Jacob - come on and run the race  
For G\_D HE doth still call - V'Yikra be the WORD  
Psalmist cries out loud - oh let her song be heard

For defilement doth spread - such a horrid disease  
The olam doing - all sin it doth please  
Time to make thy stand - time for thee to choose  
Time to knit heart holiness - do sing the tzit-zit blues!

## Israel's Messiah/Past and Future

O Israel, hear and listen,  
Messiah Yeshua calls you to Him.  
He's your atonement for your sins,  
Awaiting your hearts to yearn for Him.

Plagues and darkness filled the land,  
Yeshua was the light and the lamb.  
The lamb that was cared for, And then was killed,  
So that the blood might be spilled.

On that night, that blood on the door,  
So the Destroyer would pass over.  
Israel's first born survived the night,  
And all of Israel began their flight.

He brought you out from Pharaoh's hold,  
No more slavery or bricks to mold.  
Out of Egypt, Israel fled,  
In haste, no time to raise the bread.

Through the desert they would come,  
Israel, led by the Son.  
Moshe the prophet, the shepherd, priest,  
Most humble of men, himself the least.

Moshe led them to the sea,  
Close behind was Pharaoh's army.  
Our God saves, Yeshua is He!  
Adonai's right arm, He parted the sea!

All Israel crossed on dry land,  
Not so for Pharaoh's army, Which was close at hand.  
They lost that battle in the sea,  
Yeshua destroyed the enemy!

The manna He gave to hungry people in strife,  
Yeshua your Savior, Is the Bread of Life!  
Water from the Rock followed Israel in dry ground.  
Yeshua is the Rock Where living waters are found!

On Mt. Sinai God spoke His decrees,  
Only Moshe was allowed to see.  
Yeshua and He face to face,  
The living Torah, His Law, His grace.

Thunder and lightning made the people affright.  
They waited for Moshe many days and nights.  
After forty days, Moshe came down,  
tablets in hand, the law of renown.

The people had sinned, They had fashioned a calf,  
To replace their God, They thought had left.  
Moshe was angry, the tablets he broke.  
Israel forgot all the words God had spoke!

In melting their earrings and Egyptian gold bands,  
They had forged an idol with the work of their hands!  
Moshe the leader now was their priest.  
He fasted and prayed for their relief.

That God would relent and keep them alive,  
Forgiveness and mercy, Moshe prayed for the tribes.  
New tablets of stone God wrote once again,  
Ten Words for the Ark would go into the land.

The wilderness wanderings, Forty years in flight,  
The covenant, the promise, Their land was in sight!  
But Moshe their leader would not go in.  
He struck the Rock; that was a sin.

The Promised Land he was denied,  
But the Father's mercy, let him see with his eyes.  
The land that Israel soon would possess,  
A covenant promise from the Father's goodness.

A land of plenty, of milk and honey,  
For a people as numerous as the sands of the sea.  
Land had to be conquered, There were battles to wage.  
The Spirit from Moshe To Joshua he gave.

Fear not, be strong Yeshua appears!  
To lead Israel's army, Do not fear!

Yeshua, Redeemer, Savior, King!  
Commander of the Lord's army!  
Will lead Israel in battle and fight to win.  
Against all odds, their faith is in Him!

Only He will defeat their foes,  
And remove all of Israel's woes.  
He is waiting, ready to fight.  
To bring Israel out of its plight.

The sword is drawn!  
Yeshua the King!  
Will bring judgment and justice,  
To their enemies.

O Israel just wait and see,  
Your Messiah Yeshua Ben David,  
Will respond to your future cries and pleas,  
Returning with justice on His white steed!

Vengeance is mine, saith the LORD,  
And for Israel my first born?  
Messiah Yeshua, my mighty right arm,  
Will save you all from the nations' harm.

O Israel my first born son,  
This is why these battles are won-  
You are not so perfect, special or great,  
I have loved you forever for My Name's sake.

## Jerusalem - Jerusalem

Jerusalem, Jerusalem - how we long for thee  
Desperately awaiting - our YESHUAH to see  
Oh such pain to see defilement upon the mount so sweet  
Let it be gone LORD - make destruction complete

How easy it is to visualize the glory of the past  
Oh come hurrying KING - oh please come at last  
Come to THY resting place our Savior and LORD  
Let us sing, praise and worship THEE with deep soul chord

From Mount Zion THOU shall for a millennia reign  
With iron rod - the nations -THOU shall restrain  
Oh just to pass through those wonderful courtyard gates  
I pray so for friends and I pray so for mates

Oh LORD THOU be the builder most great  
Come rule from Jerusalem - it be THY fate  
Come back to the scene of THY great victory event  
Bless YESHUAH - gave us a chance to repent

Bring order LORD - come with THY LAW  
Establish it firmly - mandatory for all  
THY servants will dance and sing oh so loud  
Oh YESHUAH - ABBA be so proud

Send forth THY WORD - send it out so fast  
Let the nations know - it forever will last  
Stop the chaos LORD - please deliver peace  
Make the hate and anger cease

Show the nations LORD how righteousness shall prevail  
Uphold the servants' hopes - THOU will never fail  
Let come truth and order to the land  
Take Jerusalem LORD - into THY loving hand

If it be THY will please let servants witness  
Let servants survive so that they can confess  
LORD how THOU hast done it - there be no mistake  
Come YESHUAH - please Jerusalem soon take

## Oh Israel

Israel, Israel how I have longed for thy return  
Waiting so graciously - but my NAME doth thou spurn  
With truth and grace given - beyond all of the nations  
Oh Israel how thou tries - My long suffering patience

My love for thee is like - no other of My children  
Heart aches with rebukes - to thee I must now send  
But prophetic siege against thee - yes it must be laid  
Oh hard hearts please do listen - don't ever be delayed

Eyes turned on Jerusalem - yeah all of Israel  
Since thy return oh Jacob - thou continues to rebel  
Yet again the Land doth not - receive its ordained rest  
A Yovel of years be gone - since the 1967 test

Now comes seven years - of siege and punishment  
Oh My darling Israel - will thou not relent  
Politics at play while Temple Mount remains off limit  
Won't you trust in Me - I did make you win it

Thy commerce is so grand - look at what you've got  
Still thy wise top court - rules against the sacred Shabbat  
So quick to be included - oh to just be one of the nations  
Democratically ruled - special interests and abominations

Tel Aviv be oh so grand - please do look and see  
This not be the way I've commanded - this not be pleasing to Me  
Thy Chasidim want Torah - Torah on their terms  
Treating others as unclean - treating others as lowly germs

Where is thy light oh Israel - can we see it shine  
I've blessed thee oh so much - thou should look so fine  
Drawing nations by thy love - drawing nations because of Me  
Now there be the violence - in the streets between Israelis

My prophets they have spoken - patterns do come round  
Ezekiel spoke for Me - My siege it shall abound  
Against the land itself - punishment doth fall  
Such hard faces and hard hearts - won't you hear My call?

Both at home and in the exile - thou should be My delight  
Ushering in the shiny breeze - showing the world what's right  
Yet truth you shall refuse - truth you will not hear  
YESHUA is the NAME - RUACH whispers in the ear

Who amongst you bows - who amongst you shall testify  
The only SON He came - and for Israel He did die  
The SON awaits confession - please do mourn for Him  
T'shuvah sets the stage - T'shuvah lets it begin

Thy enemies be gathering - oh how they again surround  
Just waiting for their chance - waiting to bring thee down  
Thy covenants and deals - will have no victories won  
Oh Israel don't you know - thou can't be Babylon

Please listen to Yochana - a heart which pleads for thee  
The prophets they have spoken - please patterns will you see  
Thou be blessed for sure - more than nations one and all  
Get ready for the siege - get ready for the fall

Oh how Psalmist prays - Psalmist lifts thee up  
Israel beloved children - let tears flow in thy cup  
Turn thy hearts to YESHUA - He waits and waits for thee  
Grace and mercy doth await - just you wait and see

But hardened heads and hearts - is how thou treat the prophecy  
Ignoring all the patterns - for blindness cannot see  
That amidst the growing blessings - amidst all the success  
Doth punishment come upon thee - for thou shall not confess

Oh Israel – Ephraim before redemption  
Why doth thou think – that thou be the exemption  
Oh how thou doth hurt – the nations doth thou gore  
Using thy great talents – leading astray all the more

But days be coming Israel - Y'hudin not be spared  
The rod of correction be stroked - Mashiach's anger it be flared  
Thou should know much better - than all peoples and all nations  
ELOHIM doth contend - against unholy abomination

Some brethren they do contend – yes they tell the truth  
But thee oh Israel rebels – just like in thy youth  
Thou won't listen to thy brethren – nor to righteous goy  
Now comes upon thee siege – now thou shall scream oy

Psalmist's message be so true - no matter how thou doth attack  
Punishment shall come - for stiff necks won't turn back  
But prophets they have spoken - and thou shall surely know  
Command of G\_D doth stand - this be the way patterns go

Oh Israel – thou are not forgotten by Me  
Brethren and the saints – have prayed so hard for thee  
Yet thou shall have none of it – thou hast turned up the nose  
Time for corrective rod – before thou puts on mourning clothes

Oh how prophets sing – and messages be sent  
Kill them yes thou does – and on thy way you went  
But Psalmist she does sing – and surely she doth tell  
G\_D shall save HIS people – save all Israel

## Old Hatred

Against the age old hatred - doth the Psalmist sing  
Please listen to my song – for vengeance doth G\_D bring  
Thou hath clapped thy hands – against Israel through it all  
Psalmist knows there be some – who shall heed this call

Watchman has been set – oh come and ask from Seir  
Tell us watchman will you – now that we've come here  
Is there chance to return – even with blood upon the hand  
We can feel it in our soul – fury comes against the land

Psalmist tells thee true – Babylon did fall  
Thy banners all around – one by one then all  
Night shall surely bring – terror as in the morn  
All who stand by Babylon – shall be tattered and torn

Thy bloodline thou did contemn – like Esav and his birthright  
Always choosing "chamas" – always choosing to fight  
Always seeing Ya'aqov – as the terrible blight  
Hating Israel always – they be loathsome in thy sight

Old hatred be thy sustenance – always to the end  
Never will thou yield – never will thou bend  
Oh princes in "chamas" thou revel – defiling everything  
One last chance to listen – hear the prophets sing

Babylon be in the West – it also be in the East  
Old hatred be pure sin – ye be devoured by both pawns of the beast  
Yielding to old hatred – drive them into the sea  
Babylon doth devour itself – just you wait and see

There be no safety in numbers – time hath bore this truth  
Look at thine own destruction – this surely be the proof  
Though Israel she be punished – yes by the LORD's command  
In the end with Israel – surely doth G\_D stand

But amidst the hatred terrible – within some does spirit groan  
Mercy ever great – from G\_D hath some been shown  
Every tongue and tribe – none to be left out  
G\_D's mercy be so great – this Psalmist she will shout

Amidst the terrible hatred – some do cleave to Torah  
Some have seen the light – some have seen YESHUAH  
These be such who inquire – they ask if there still be time  
Answer to thy prayers – this song be such a sign

Don't look for thine Mohammad – he be long since buried  
Run to Mashiach YESHUAH – don't tarry you must hurry  
For special fury be unfolding – sands be filled with blood so great  
Vengeance comes from ADONAI – against thy old and terrible hate

## AGAINST ISRAEL

Because our LORD doth make - messenger understand  
Sadly this Psalmist must follow - our LORD's harsh command  
Remember and transmit - a message long ago sent  
Oh how difficult – to so many recipients

The siege comes soon enough - what hath Israel done  
Thou hast done even worse - than profane Babylon  
Just watching makes the strongest - of loving hearts to fail  
Where is righteousness Israel - amidst thy balance scale

Thy leaders and wise men - as well as elders they be blind  
Following the Goyim's ways – leaving G\_D's children far behind  
Thy rabbis and soothing prophets – don't speak G\_D's will  
Yet prominent they remain – leading Israel still

So soon will six destroyers – the number of man  
Pass through Israel – inquiring of each where they stand  
To see if dwells a Ruach – abominations do they bemoan  
These shall be marked – those whose spirit's do pain and groan

Take a count of those - who fear what is to come  
Take a count of a remnant – surely there be some  
Oh Ruach dip into THY inkwell - freely do please spare  
Those slated for survival – Psalmist prays in Jerusalem there

What hast become of Jerusalem - what of the beautiful bride  
There be nowhere to run – there be nowhere to hide  
Comes a singular evil – yes something wicked comes thy way  
Sweeping away thy ornaments – while harlotry doth play

Oh traveling man do pack up - thy stuff and each day leave  
Return again each night - perhaps then some there shall believe  
All the while prophecy be met - with inquiry oh so arrogant  
Oh Israel - thou hast contemned the holy covenant

Dealing with Jews in the Golus - those staying in Babylon  
They thinking they do well - seeing themselves as loyal sons  
Counseling that Babylon - yeah they be with Israel  
Watch out Jerusalem - soon on Earth comes hell

But not just the people shall come - under HaSHEM's deep ire  
Mountains and Land's four corners - they too come under fire  
The fury and the wrath - spirals beyond the holy City  
Oy Vey be the message Israel - no mercy and no pity

Oh Israel - thy vine be of own root  
No strength in itself - thou hath rejected Jesse's Shoot  
Hardened head and faces - yes idols in thy heart  
Thou be confused as Bavel - be prepared to be ripped apart

Where is voice of reason - where be hearts of courage  
Don't you see the patterns - right there on prophet's page  
Foolish halakah - walks as seeing straight  
Counsel saying it be safe - it's wrong and it's too late

This Psalmist be so sickened - slack in her own heart  
Hardest message yet - from the very start  
Only comforted in the knowledge - G\_D this doth ordain  
Psalmist still cries deeply - for the cut-off and the slain

Oh Israel a remnant - shall survive and shall be lifted  
Always to Israel - special blessings they be gifted  
But before the rise a fall - comes a message of such gloom  
Comes the prophet's message Israel - the evil it doth loom

Against thee Israel - thou shall know that it be THE LORD  
Comes famine and pestilence - even comes the sword  
G-D's anger and HIS fury - to you before Babylon  
Still refuse to accept the truth - of YESHUA the HOLY ONE

Please know that Psalmist loves thee - more than any other clan  
Abandoning all her own - cleaving to Israel and her Land  
But balance scales be unbalanced - judgment first to thee doth arrive  
Psalmist prays and thanks THE LORD - surely some shall survive

Oh Israel thou be so hard - now THE LORD doth come against  
There be nothing thou can do - there just be no defense  
Thy agreements won't protect thee - though punished thou shall sleep  
Remember prophet's words though - Psalmist warns thee as she weeps

## Song Of The Messenger

Comes my Prophet named Messenger - says ADONAI  
Hard to miss – fear of the LORD be his cry  
Oh yes Jacob before thy birth - I know thee returned  
As for thy brother Esau - him did I spurn

No Edom - built up thou shall not be  
Thou be excrement - can't you see  
Thy border be separating wicked from good  
Never repented - though thou knew thee should

But thee oh Jacob - just like the days of old  
Thou doth profane - as the Prophet foretold  
Thou doth say - where with do we profane  
Oh Israel - thy rejection of Mashiach it be insane

Still even now - doth thou before ADONAI bring oblation  
Thou hath no Holy House - oh what imagination  
Didst thou Jacob think ye be left without cause  
Didst thou not ever think - didst thou ever pause  
To consider MINE Servant - yes the SHOOT one appalled  
And so now thou still be cursed - priests, leaders, he-goats and all

Yes even HIM - Immanu'el - was instilled fear of ADONAI  
But thou my Jacob - would not hear wisdom's cry  
The Holy ONE of Israel - thou would profane  
Nations love MY NAME - yes to Jacob's own shame

Where with THEE LORD - doth Jacob sore contend  
Oh so proud - ADONAI just wants thee to mend  
Remember - Zachar - that day wisdom was near  
At Horeb was with thee - oh the great fear

Jacob did shudder - the mountain did quake  
A covenant of truth - yes did thee make  
"We will" shouted those present - "walk in THY way"  
If thou was there - do well and remember the day  
For Shavu'ot doth come - the Comforter to thee  
The book of remembrance - to remind thee of ME  
If thou Jacob shall withstand - the coming of the Son of Man  
Thou must fear G\_D - won't thou understand

As in days gone by - to HIS temple shall HE come  
Not for all - for the remnant just some  
Yeah those who doth fear HIM - those remembering the covenant  
Those who out of wisdom's fear - to HIM doth repent

Where with THEE ADONAI - hath Jacob spoken strong  
Thou Jacob doth error - thou doth be so wrong  
Persecute YESHUAH then - now even more  
Refusing to bow - thy sin be so sore

Consider thy fathers - the covenant they did not abide  
They waxed so fat - their fear did subside  
Forgetting the burning memory - each and every clan  
The mountain was aflame - for there was the Son of Man

Pray for HaRUACH - yes Spirit of ADONAI  
Please remember the day - when "we will" was thy cry  
Let the curse turn to blessing - fear the Son of Man  
HE be YESHUAH of Horeb - the GREAT I AM

Fear of G\_D - it be wisdom in the gates  
Oh Jacob act swiftly - before it be too late  
Let HaRUACH quiver - yes let thyself be shaken  
To thy very soul - lest so many be forsaken

The Psalmist she was there – tremble as she did  
No way to hide – fear of G\_D could not be hid  
Psalmist saw so many – one accord on that awesome day  
Remember now my Jacob – fearing YESHUAH be our way

## Mourning Song

What Prophet doth cry out – call the solemn fast  
The LORD is now wearied – comes HIS time at last  
Who doth cry for men – yeah as well the fields and beasts  
Who doth mourn unrelenting – whose mourning does not cease

Oh Jacob did thee not know - Nineveh did repent  
40 days did they have – ADONAI did relent  
Oh how much more then – will HE not turn to thee  
Oh Jacob the Psalmist cries – please do listen to me

But seek recurring patterns – wilt thou call a solemn fast  
Can thou do so now – like thou did back in the past  
Where be thy great House – where be thy holy priests  
To call the solemn fast – mourning to be at peace

One Shavu'ot did come – Kefa spoke his word  
Pricked so many hearts – in them rose a mourning chord  
Put to death Mashiach – there still be time to repent  
Trust in GREAT YESHUAH – it be new covenant

Yes the temple shall be built – comes our LORD's great day  
Mourning thou can't do – for joy it be the Festival way  
But then thou Jacob shall be true – realize what you've done  
Thou shall mourn YESHUAH – for HE be thy first born son

Yes this great revival – Israel as the light  
It shall come my Jacob – after YESHUA'S awesome fight  
Spirit poured out great – again to never be a shame  
Israel as the light – under the banner of YESHUAH's NAME

So we think there be just one – great day of the LORD  
Samaria and Judah twice – did fall to the sword  
Again shall come tribulation – nations with Jacob shall contend  
Two great days do loom – before we reach the end

First Mashiach makes HIS stand – coming as the KING  
Comes the lasting Kingdom – order does HE bring  
A Thousand years there be – before the northern one be let out  
Finally it be over – when ELOHIM doth shout

And now the Psalmist smiles – knowing what shall be  
One thousand years of Israel's light – B'rit Chadasha will be  
All across the Kingdom – yes out to the nations  
Israel doth resonate the light – they be a holy oblation

But first shall come the mourning – oh Jacob thou shall rent  
Not the clothes but thy heart – yes thou shall repent  
And the mourners shall be marked – for Jerusalem shall be cleansed  
Unholy shall be cut off – this covenant thou cannot bend

Psalmist hears the song – of those who really mourn  
It be the necessary cry – of those who are reborn  
For look at what we've done – oh YESHUAH please do forgive  
Oh mercy to us KING – without grace we shall not live  
For innocent we are not – but innocent is G\_D's declaration  
YESHUAH be the grace – beyond all imagination

## What They Knew

The father – yes such a heart for ELOHIM  
His psalms of praise – yes worship made him beam  
Dance in holiness – shine in beautiful praise  
With his songs of glory – still now hands with him we raise

Such a desire – so wanting to build G\_D's house  
Stay in there always – tis what his heart did shout  
Saddened not to build – but given grand design  
Surely promised son – would build the house so fine

Ever faithful is our G\_D – with the son did come the build  
Every little detail – wondrous artisan guild  
Stone by stone – timbers of the Lebanon were used  
Son did the holy work – which the father so long had mused

Psalmist she doth plead – oh please do take close look  
Secrets hidden there – right in the holy book  
Father and son – something special did they know  
Something there for us – something they did show

Psalmist David – beloved by LORD for sure  
Given oh so much – given all the more  
Knew something deep within – what be behind the veil  
Prayed so hard to ORACLE – to G\_D WHO would not fail

With Shlomo we do see – also uses certain term  
Something oh so grand – if we dare discern  
Only with these two – only with son and father  
Oracle be revealed – HOLY OF HOLIES be called DEB-EER

Alas the story be sad – for after father and son  
Those who did come after – forgot what they had done  
For so long the secret hid – DEB-EER oh yes they knew  
Only later with the Paul – seems he knew the ORACLE too

Oh coincidence they say – Devarim of stone be there  
Something was important – to David who did care  
But pray to stone be silly – for stones they do not live  
Unless there be real life - DEB-EER perhaps will give

T'was not the tablets no – glory be in something else  
Descending to the HOUSE – did come Israel's help  
Yes once again came PILLAR – GLORY did arrive  
Yes did come DEB-EER – the WORD it is ALIVE

DEB-EER be great YESHUAH – Psalmist she doth see  
Oh please do have a blessing – do come along with me  
Be it in the desert – or upon the Sinai mount  
Descending to the HOUSE – on YESHUAH we can count

Coming in the Clouds of GLORY – was message to High Priest  
Coming to HIS HOUSE – Wonder PELE does not cease  
Where might ye be looking – clouds of glory in the sky  
Cloud of GLORY be in HIS HOUSE - DEB-EER be YESHUAH CHAI

Who shall say great prayer - proclaiming HOUSE of Nations  
Who shall be the King - to YESHUAH to offer royal oblation  
Who shall be the King - to serve DEB-EER in HOUSE all day  
G\_D did love thy heart Daveed - yes G\_D did love thy way

Oh beloved David - Psalmist smiles so much  
Revelation oh so grand - who can handle such  
Desire of thy heart - so grand is what you knew  
Now Psalmist she feels shiny - Psalmist knows the secret too

## Spirit of Elijah

Wilderness man so bold – yes a prophet all alone  
Following the way so straight – following how he was shown  
Raised up against the evil – against a horrible generation  
Wicked King yet more – evil wife beyond imagination

Who doth stand alone – against the prophets of Jezebel  
Who doth stand so strong – condemning the wicked down to hell  
His life in so great danger - to Mount Horeb he flees to ask  
What becomes of me LORD – I am alone in charge and task

Yes a desert man – one who doth cry out  
Crying out the truth – surely he doth shout  
So on his way he goes – from Horeb to anoint  
Spirit of Elijah – great fate doth G\_D appoint

King of Aram be on the list – also the King of Yisrael  
And then there be a Prophet – anoint three the WORD doth tell  
What doth mean these things – the Psalmist looks to see  
Doth it stand alone – or be there mystery?

Held in such esteem – surely this be good  
Elijah be so blessed – G\_D did this because HE could  
Then take Elijah for a ride – still business to be done  
Come back again in latter days – witness to the SON

But what of greater man – yes that wilderness voice  
Raised up to prepare the way – so many would rejoice  
Though he did come second – for Elijah was the first  
Spirit oh so great – the Yochanan who did immerse

The Baptist too did battle – he came against Ba'al  
Against leaders, priests and he-goats – all had run afoul  
Against a generation – one so wicked and so vile  
His light G\_D did let shine – if but for a while

Shavu'ot connection – in common with Elijah did he share  
Evil wife of King – did also come against the Spirit there  
Yochanan as well did ask – LORD I be zealous and alone  
Is my task complete – the Kingdom when will it be shown

But greater was the man – for this Yochanan did anoint  
YESHUAH HaMASHIACH – perfect time did G\_D appoint  
King of Aram can we see – King of Israel all the same  
Turn Prophetic mantle over – to YESHUAH of great fame

Psalmist sees the clues – wandering Arameans need a King  
Chaza'el who doth see G\_D – what a song to sing  
As for the King of Israel - Yehuw' - yes YEHOEVAH is HE  
Psalmist hopes you listen – maybe you will see  
A Prophet Eliysha to be raised – yes just for the nation  
Such meaning in his name – G\_D surely is SALVATION

All throughout the ages – why such a mystery  
Spirit of Elijah pattern – be about YESHUAH don't you see  
Elijah to come again – olam this time has it's way  
Pattern comes around – yet again be in “that day”

As for Yochanan what sweet song – for again he shall rise up  
For this be his great charge – to bring anointing cup  
Oh Spirit of Elijah – Thou doth make the Psalmist sing  
Sweet blessings be upon thee – thou shall anoint YESHUAH KING

Psalmist hopes so much – that they who say they believe  
Be blessed by mysteries – please pray for glory to receive  
Thou think in G\_D's WORD finding – salvation and truth to see  
YESHUAH told the Pharisees – look deep and you'll find ME!

Patterns do continue – they be given so we find  
How every page we turn – each passage blows the mind  
All things they surely show – to ONE all things do point  
It be about MASHIACH – Spirit of Elijah please do anoint

## Sin of Jeroboam

Oh haughty Jeroboam - what's this thing you've done  
So much worse you be - than the harshness of Solomon's son  
Renting tribes away from Judah - leaving for David's sake the throne  
ELOHIM did give thee power - look now at what you've sown

Deep within thy heart - something began to flow  
Mighty Jeroboam knew - back to Tzion would the people go  
Back to Jerusalem - where ADONAI had left Daveed a light  
Three times a year make Aliyah - Jeroboam could not handle the sight

Afraid that he would fall - that his king's reign it would not last  
Jeroboam decided to fashion - not one but two golden calves  
Apologists shall say - Jeroboam served the LORD with zeal  
The apologists also say - that G\_D's WORD might not be real!

So what Jeroboam did - became for the people the sin  
Yes diaspora rebellion - with Jeroboam it did begin  
Heartbreak it doth reign - deep within the Psalmist's heart  
Diaspora rebellion reigns today - just like from the start

Against Judah doth rebellion remain - keeping the children away  
Even challenging Israel's Zion rights - the Diaspora rails to this day  
Oh you sages and wise men - ye judges and ye rabbis  
Thou doth rebel against Judah – against ELOHIM of Earth and Skies

For fear of losing status - fear of losing power  
Is so very strong - yet tis the wrong fear why you cower  
For when you speak against Jerusalem - against Tzion surely then  
We see the sin of Jeroboam - you have lost the fear of HaSHEM

When Asshur did send in refugees - to Samaria did they take  
The LORD did send the Lions - these goyim HE did break  
Though they did idolatry - they left alone Judah oh so near  
We know they were not stupid - HaSHEM they sure did fear

Then our LORD did tolerate - even heathen in the land  
Punishment for Jeroboam sin - diaspora doth thou understand?  
Leave well enough alone - just let Judah be  
HaSHEM HE still be with Judah - just you wait and see

As for Diaspora rebellion - it be the sin keeping people away  
Representing the Torah Light - no you don't even to this day  
You won't go in yourselves - never can it begin  
Those behind you have no chance - them as well you won't push in

Yes Ephraim shall be redeemed - not those doing Joroboam's sin  
Steeped in such idolatry - G\_D's calling to thee just can't sink in  
Enamored with YOUR Torah - peculiar yes - but not so much to shine  
You have them oh so trained - le-dor ve-dor they tow the line

Won't you use your zeal - won't you seek the truth  
Forget the Christian falsehoods - in Torah you will find the proof  
YESHUAH be the real deal - Mashiach of Israel  
Turn to HIM right now - HE be the one and only HaGOEL

What of HaKeru'im - yes the people who've been called  
Stuck in the Diaspora ways - the calling has been stalled  
Aliyah be the key - yes people of the way of haDerech  
Soften up thy hearts - loosen up thy so stiff neck  
For testimony comes not just of lips - HaEDAH be more than talk  
Aliyah journey shall testify - oh after YESHUAH please do walk

Roeh TOV Good Shepherd calls - oh Jacob please do listen  
Just think of what you're doing - think of what you're missing  
Mount Tzion she doth cry - in mourning while she waits  
HaGOEL comes oh so soon - please don't hesitate

Sin of Jeroboam - it be diaspora pride  
Exiled amongst the nations - even now - oh why oh why  
Forget some thought of helping Israel - so you think Judah not be select  
Psalmist prays that when thou falls - thou won't break thy own stiff neck

## Righteous King

King who G\_D doth heal - integral to his name  
20 years he came to age - beginning great biblical fame  
40 years before destruction - Judah going down  
Zealous King so serious - deserving to wear the crown

It started with the money - Twas about the silver  
Money should be earmarked - to the doers and the builders  
Lovely Torah found in Temple - just an awesome scene  
Young shadow King a warrior - the Temple did he clean

Send to Prophetess Weasel - what doth YHVH say  
King of Judah be justified - but Judah going down anyway  
Raise up a covenantal people - to stand with so brave King  
Healed King he did see peace - until battle death did bring

Cleanse the land great King - wicked evil stand against  
Come to Jacob's aid - be their great defense  
Wipe out abominations - bring back fear of HaSHEM  
Shadow King YoshhiYah - did not fail back then

Shadow King did hear - Weeping Prophet's song  
Many years of warning - futile for so long  
No staying YAH's great wrath - there be the consequences  
Prophet cried of Brit Chadasha - when hearts will come to their senses

Always be convergence - shadows of YESHUAH  
Righteous King of old - see Messiah in YoshhiYah?  
Messiah be the Torah - came to make things clean  
Foul money handlers he found - what a biblical scene

Kingdom rent from Idolaters - great wickedness was purged  
Covenantal return oh Jacob - holiness Messiah urged  
Knowing all along - Temple destruction was ordained  
Messiah to save the elect - but judgment be sustained

But not so in the end - consequence be shifted  
Woman to be spared - for Beloveds to them be gifted  
Just before the fall - just when all seems lost  
Bo YESHUAH Bo - for HE has paid the cost

Then shall purge commence - then will land be cleaned  
Jerusalem shall shine again - bright and brilliant sheen  
Same but different all the time - this be what we should see  
Psalmist she doth cry out - truth it surely be

Wickedness doth build up - for Judah you shall not pray  
Nay you shall not cry - G\_D tells us to be this way  
Jacob hath not turned - Judah doth not repent  
Blessed be Great YESHUAH - by HIM doth wrath relent

Judgment this time comes - yes to all the nations  
Sitting back and watching - while Woman's children eat tribulation  
Faithful believers they do intercede - like their Righteous KING  
Balance scales prevail - martyr's song we sing

## Weeping Prophet

Who doth persist - amidst strife and tears  
Who doth anguish - amidst arrogance and fears  
Oh weeping Prophet Jeremiah - thy heart how it doth hurt  
Danger and conspiracy - with these always doth thou flirt

Heart of a child - message must thou take  
Prophecy to hard faces - doom and gloom dost thou make  
To the gates of the people - thy message deliver  
To the court of the King - make them tremble and quiver

Now thy message - through Psalmist comes again  
Same as before - now is just like then  
Unfaithful Judah - playing like one of the nations  
Doing what you want - following your own imaginations

Strong is Israel - things looking up and up  
Iniquity doth simmer - filling is thy cup  
Pattern emerges - ADONAI makes judgment  
Against thee Judah - message again be sent

Thou be worse oh Judah - then even Jeroboam's sin  
Thou be worse oh Judah - then thy wayward kin  
Ignorant and asleep - yes this be thy way  
Straying even further - each and every day

ELOHIM gives command - for thee we shall not cry  
ELOHIM doth say don't intercede - nay don't even try  
For heartache comes - riding upon the destroyer of the nations  
ADONAI doth not accept - thy too late and lame oblations

Oh weeping Prophet - who doth comfort thee  
And now who shall provide - comfort for me  
For beloved Judah - apple of the LORD's eye  
Hath crossed the line - comes the anger of ADONAI

Save for the promises - made so long ago  
All would be swept away - the WORD this doth show  
For glory and might - yes a remnant be spared  
Oh poor Judah - such trouble coming there

Yet balance scales there be - some must pay the price  
Intercede for Judah - oh saints you better think twice  
For the MASTER interceded - viewing Judah as HIS friend  
Tribulation was HIS reward then - death came in the end

Judah's remnant shall be spared - she be the protected woman  
Flee to the wilderness - the LORD shall let you stand  
Comes war upon the saints - those with both faith and the torah  
Comes war upon the saints - Beloveds of YESHUAH

Oh how the Psalmist cries - such a difficult charge  
Won't you ever listen - Judah let thy hearts enlarge  
Coming judgment it doth pain - cuts deep into my soul  
Heartache makes me swoon - it leaves a growing hole

Weeping Psalmist she doth cry - filling oceans with her tears  
Each day getting closer - each day we draw near  
So many shall cry loud - ADONAI HE simply will not hear  
For so long thou walked - in a way that had no fear

Comfort us oh LORD - yes the Prophet weeping  
The Psalmist she doth cry - gladness in her heart be sleeping  
This message be so hard - as hard as Judah's face  
Don't you talk of peace - in Jerusalem your place

Weeping Prophet the Psalmist feels you - please don't share so much  
Anguish in my soul now - sorrow my soul doth clutch  
The price it must be paid - G\_D's WORD forever shall it stand  
One day the sorrow be over - Please YESHUAH come again

## Scribes Blessing

All along they write – learn so they can teach  
All along they ponder – new heights they just might reach  
But also do they plot – cajole and pull and pry  
Hoping for acceptance – desire of the Scribe

Leaned on by so many – memory serves them well  
Questions they are asked – faithfully they should tell  
What means this they discern – for this be their special gift  
All throughout G\_D's WORD – for the truth they sift

But factions they do rise – politics they do play  
Oh you silly scribes – do you follow along that way  
You want to be the mouthpiece – looking for the nice life  
Forerunners yes you be – of some Pharisees not so nice

It's not that all be wicked – it's simply you have your place  
It's not for you dear scribe – to be in the people's face  
For Royals, Priests and Messengers – they be the ones to deliver  
Oh Scribe you need the fear of HaSHEM – pray HE makes you shiver

So now see where the Scribe – “blessing” be his name  
Was confronted with a choice – holy charge or chase the fame  
Message given directly – HaSHEM would surely destruct  
The desire that thou had – the things thou would construct

All your walk you had – certain dreams and expectations  
Fitting in so tight – yes a grand imagination  
Only to find out – thy scribing gift be just for one  
Improbable special messenger – thy career it be undone

Be friend to child messenger – be part of the contempt  
Be part of chastising warning – be part of the attempt  
To have Judah repent – so that disaster would not fall  
Would you listen Scribe – would you heed the call?

Amidst great tribulation – when all would stand against  
Holy child messenger – who would come to the defense  
Who would give support – dedication oh so true  
Would you offer up yourself – oh Scribe what would you do?

Song and story doth attest – as well as legend it did grow  
Yes the Scribe chose wisely – with the Messenger he did go  
From out of Mitzrayim – the pair they would survive  
Message it did last – Messenger had their faithful scribe

Lost everything Scribe did – put it all away  
Just to serve the Messenger – each and every day  
But gaining all the more – lifetime of close soul knitting  
Scribe made out alright – his name “blessing” it be fitting

## **Kings' Second Return**

David had such power – yes the anointed authority  
Yet withstand the beloved rebel son – David had to flee  
Outside the gates – to the wilderness yet again  
What means this portrait – what message does it send?

Absalom so lovely – but his father he did shame  
Presuming to be the power – lifting up his own name  
But David could not smite him – so much did David love  
Put his trust in HaSHEM – letting judgment come down from above

Though punishment be righteous – please don't hurt the lad  
Love made David look the other way – oh the truth be sad  
But anointed Absalom was not – though first in royal beauty  
Delivered up for judgment – the way it had to be

Triumphant yet again – time for the King to return  
Israel beckoned first – then Judah took second turn  
Contention between the citizens – picture of how it will be  
Psalmist sees the pattern – will you look and see

How Ephraim be so humble – antagonist with King did plead  
First among all brethren – bowing on his knee  
Smite the one who cursed – counsel given to the King  
But David dispensed grace – mercy did he bring

And Israel did contend – for Judah came in late  
But zealous was our Judah – for these ones the King did wait  
From the wilderness did come – King with Judah for second return  
Both Judah and Israel – for King David did they yearn

Psalmist sees the picture – two sticks becoming one  
Zealous for the King – zealous for YESHUAH the SON  
Ephraim be hidden tribe – Levite pattern son first born  
But Jeroboam's sin oh Dan – Belial still doth have scorn

Two separate truths a mystery – Ephraim both good and bad  
One we see redeemed – the other's fate so sad  
One did curse for sure – but then did humbly pray to be forgiven  
Belial so rebellious – lost his head when he was smitten

Can we sense the greater pattern – of YESHUAH's return so grand  
Can we see how patterns play out – do we try and understand?  
Pictures and the portraits – given for us to receive  
Psalmist trust G\_D's WORD – the Psalmist does believe

PaRDeS doth have merit – when thinking as a scribe  
Consider David's second return – the truth you cannot hide  
Can you hear the Song of Songs – can you see our great KING coming in  
Story of David's return – let the story begin!

All four players at once – Psalmist follows the clues  
Judah, Israel, Ephraim and Dan – even the Bride she be true blue  
Contention all the way – yes until the very last  
Come YESHUAH come – put all contention in the past

Beloveds be so blessed – first to meet the King for sure  
Just like Paul revealed – for Beloveds the how much more  
Then oh hesitant Judah – triumphant with MASHIACH doth return  
All factions now so happy – for YESHUAH doth all burn

Of course it be a parable – expecting anything less?  
Please do seek and dig – our LORD HE wants to bless  
Psalmist she doth sing – of song and glory already revealed  
Come oh hurrying KING – in THY WORD the truth be sealed!

## One GIANT Step

Before factions of Israel doth contend  
Over our LORD's favor in the end  
Comes descending KING – fulfilling secret that be kept  
Comes descending KING – with one GIANT step

When all doth seem lost – oh Jerusalem what woe  
Prophet Remembrance says flee - towards Har Zayit and the show  
Returning as HE left – oh what clouds of glory  
Wonder PELE comes – fulfilling prophetic story

Descending upon the mount – yes in likeness of Shavu'ot  
Thunderings and Lightnings – tumult amidst the smoke  
It be great HaDABIYR – of this there be no doubt  
Descending down to save and avenge – comes the trumpet shout

Holy ones be with HIM – Beloveds throughout the ages  
House of David be so Heavenly – it be written on the pages  
Prophet Secreted doth reveal – tormented city will not fall  
Daughters of Zion and Jerusalem rejoice – please do hear HIS call

With one GIANT step – cleave the mount in two  
Oh great awesome PILLAR – YESHUAH it is YOU  
Rip asunder the land – spread both south and north  
Pave the way great PILLAR – let THY hosts go forth

Oh my lovely Princess – thou who doth sing song  
Desperately awaiting – thy PRINCE for oh so long  
From the wilderness of east – doth come like pillars of great smoke  
Thy defense arrives – now thy enemies shall choke

Beloveds shall defend now – House of David be Heavenly host  
Beloveds shall stand fast – never abandoning their post  
As mount does quake and shutter – don't let the people break through  
Holy mountain can't be touched – not by hoof or shoe

Yet still the enemy contends – amidst the awesome appearance  
Even coming against Beloveds – taking their last chance  
Prophet Remembrance doth give warning – melted be thine eyes  
PELE PILLAR consumes all flesh – terror from the skies

Yirat HaSHEM be oh so tov – Psalmist she doth cry  
Rebels do contend – to the end do enemies try  
Now the people scream – LORD to us don't speak  
Beloveds go and listen – go back up to the peak

The people shall abide – as YESHUAH again commands  
Wisdom shows the people – time to be proved so thou must stand  
As horn doth wax so loud – beginning with GREAT I AM reveal  
Worship at holy mountain – Sinai be a promise and a seal

Wondrous patterns yet again – Sinai and the Mount of Olives  
Descending is glorious KING – what a show to us HE gives  
One GIANT step HE makes – begin now does HIS reign  
Comes our great YESHUAH – comes to collect HIS gain

## Counting

It started long ago – when teacher said that we should count  
Lift up G\_D each day – our praise for HIM pronounce  
Don't count just haOmer – listen to a Beloved King Daveed  
HaSHEM has us count kol yamim – yes this advice we heed

Each and every day – the aliyah moves along  
G\_D does show HIS mercy – in chapter, verse and song  
Scripture it does bend – the very space and time we know  
Scripture is alive – showing us how to go

Have you ever really walked with Yeshua  
Yes HE is the living Torah  
Watch your life in the patterns told  
Amazingly each day - does life in HIM unfold

How does your aliyah begin – yes how does it start  
Is it orchestrated by man – or does G\_D set you apart  
Do you simply stay on schedule – each week and every year  
Do you venture into HIS ways – or simply follow a man you hear

Do your teachers seek to count – all the days alive  
Do the teachers seek in Scriptures – the patterns to live and thrive  
The Torah first and foremost – it be about upholding precious life  
G\_D doth surely want for us – shalom without the strife

Good teachers speak of Torah - and doing the commands  
But do your teachers know what is happening - do they understand  
That Torah is entwined - with the testimony of living  
That Torah is also blessing and signs - that ABBA keeps on giving

Are you comfortable with schedules - or simply gathering on Shabbat  
Life is so much more - than ritual is it not?  
Are shepherds readying for storms - all you sons and daughters  
Or is it sadly business as usual - this shall result in slaughter

Now glory its for sure - for those who shall withstand  
Those saints who shall perish - by onslaught of olam and wicked man  
But witnesses be needed - a special aliyah it be next  
For some believers who are called - please find who G\_D selects

Counting be so important - part of aliyah that is given  
To those who be separated - for those chosen to go on living  
All things be in G\_D's hands - this we know for sure  
But survival call the Psalmist issues - for some to live and still endure

So count your days each one - your aliyah from birth  
Knowing soon that our Yeshua - is coming back to Earth  
Make record of the journey - so then you shall be able to testify  
When Beloveds sing HIM back - Barukh Habah b'SHEM ADONAI

Psalmist calls just not to Beloveds - yes the ones who are sealed  
Psalmist calls to other elect - to whom truth is revealed  
Find each other this be the charge - for now the time is short  
How the Psalmist doth so pray - that some believe the Psalmist's report

## Days of Noah

As in the days of Noah - all will be asleep  
Doing things as normal - going about as sheep  
As in the days of Yeshua - Western Empire rules  
Treating the world as nothing - treating them as fools

Babylon be so corrupt and it surrounds both you and me  
Please listen to this psalmist - please do hear my plea  
For the days have come upon us when all things do align  
The days of Noah and Yeshua - they will be our sign

Come this Yom Te'ruah oh how stars line up  
Please do pay attention - iniquity has full cup  
Treachery and idols - how they do abound  
Please listen to this psalmist - please just look around

Frightened for you is the psalmist - yes I care so much  
Thinking of the pending storm - who can handle such  
Your Yochana calls wide and far - please do lend your ear  
For so many that do sleep - this psalmist has much fear

Sages and wise men have told you what you'll see  
Crazy signs and wonders - in a short time they will be  
But what if these things - have been happening all along  
Two thousand years of time - maybe some signs have come and gone

Our G-d be so mysterious - who can know his ways  
So wise we think we are - looking for these days  
But delusion does set in and this psalmist thinks we slumber  
What if we are wrong - what if the days be of short number

In Noah's time we see where such genetic treachery  
Created havoc in the animals - bringing down G-d's fury  
And here we are today - a time when science plays  
Changing the natural things - into odd and very strange ways  
And just like the days of Yeshua - when orthodox Jews did condemn  
The Messianic believers - away these folks they send  
We see it now today - all the world around  
Against the Messianics - do orthodox heretics abound

As Yeshuah said - they persecute thinking G-d's will be done  
As they fight against true believers - they persecute the Son  
Not knowing they be wrong - oh how they do fight  
Against our Lord Yeshuah - against the Lord of light

This psalmist thinks that we be close - each and every day  
This psalmist asks for mercy - wake them LORD I pray  
Soon the Beloveds will arise - learning their new song  
144,000 gathering together - each shall play along

Oh what if we be off - what if the time is short  
Please don't contemn the song or the psalmist's report  
As in the days of Noah and Yeshua our royal King  
Psalmist thinks we are here - and Beloveds will surely sing

Awaken all you sleepers - time is running out  
We be in those days - at least this psalmist will shout  
Praying night and day - for mercy and wonderful grace  
Please turn to G-d right now - please do seek His face

For what if we be wrong and soon we face the storm  
Will you see new signs - or for you will things just be the norm  
What if the days of Noah and days of Yeshua be here  
Will you be awake? Oh how does the psalmist fear!

Please listen to Yochana - her heart oh how she pours  
Psalmist prays so much - praying all the more  
Time is oh so short - shorter every day  
As in the days of Noah - it just could be this way

This Psalmist does not lie – this psalmist does not pretend  
This Psalmist has a song - this message I will send  
The days are quickly ending - soon that day will come  
Will you be awake - the elect - they who be just some

## **Creation Groans**

**When I ponder the expanse of the ocean  
So wide and deep, I have barely a notion  
Just how perfect HE formed all this to be  
Everything amazing, another world in the sea**

**I know so little, I can barely fathom  
His work of creation, how it all happened  
I only know what I read and heard  
His story of creation as set forth in His Word**

**G\_D gave us the story, His own account  
Of what we need to know, not to discount  
For many it seems too hard to believe  
But those who are His will choose to receive**

**Adam was created to tend the creation  
He lived in Eden amongst beautiful vegetation  
He had a helpmate, she his Ezer  
Together they worked, took good care**

**We too should take care of this earth, so nice  
Even though now it be filled with strife  
Mankind has not cared for the earth as they should  
Disorder and chaos has invaded the good**

**Now the earth seethes with evil corruption  
Consequences of man's ignorant assumptions  
That the earth will simply take care of itself  
No personal regard, leave it to someone else**

**Those which were created on Day five  
Are suffering disease, barely remain alive  
They suffer and succumb to mankind's folly  
Of pollutants and filth and all that is unholy**

**Oceans polluted with radiation  
Causing even greater degradation  
Scores of creatures lying dead on the sand  
Surely this was never G\_D's plan**

The creation that rejoiced, praised and yearns  
Now groans in awaiting YESHUAH's return  
It awaits for G\_D's kingdom to come to the earth  
For YESHUAH Himself to give life new birth

The trees of the fields will clap their hands  
When YESHUAH and His people return to the land  
But not until the cleansing comes first  
YESHUAH in judgment scorching the earth

Cleansing by fire, this time around  
The first by a flood of world renown  
Even man has corrupted his seed  
Mixing in profane, such evil deeds

Hasatan has his hand in this evil scheme  
He and his workers making men unclean  
How far will man go to be just like G\_D?  
No satisfaction with what He made good

There be no stopping the evil, now it has started  
Just like the days of Noah when righteousness departed  
This is not new, we know before it has happened  
When Nimrod and others built a stairway to heaven

G\_D stopped them right in their tracks  
Confusing their language, only babble for talk  
Mixing the seeds, the world calls that progress  
G\_D forbids it, it goes against holiness

So much profanity for medical reasons  
Changing DNA and creating diseases  
Now the pressure to get immunized  
Then for the old, time to euthanize

Wanting to be like G\_D, man keeps trying  
With science to live longer and stop dying  
Just like in the beginning in the garden  
The great lie to man from satan

**Evil is spinning out of control  
Not much different than the days of old  
For what once has happened is yet to be  
Cycles of history, again we will see**

**So listen to the prophets of biblical renown  
They tell the truth this second time around  
Events which happened before will happen again  
No doubting this, it's just a matter of when**

**So be prepared, turn to G\_D and live  
Embrace YESHUAH, His salvation He gives  
Get ready for the coming judgment and cleansing  
Creation is groaning begging its mending**

**The earth is waiting for YESHUAH's return  
Until that time it moans and churns  
All creation looks forward to that day  
When YESHUAH burns all corruption away**

## What's Going On

What's going on in this world right now  
Should we be mindful - should we show extra care  
Oh what to do - oh what is our how  
Should we be considering - extra prayer?

Seems like the same old - same old  
Seems as if things could be worse by far  
Oh believing children - do come in from the cold  
Like the wise men of old - do follow the star

Signs and wonders - oh so often ignored  
As in the days gone by - who would believe the report  
But alignment celestial - soon be coming our way  
Oh so very close to 5777 Yom T'ruah day

Perhaps the counting of years it be wrong  
Perhaps we know less than we thought  
But the Heavens in their courses do sing their song  
Coming to mankind - is what we have wrought

How many are watching our G\_D's seasons  
Not just playing Torah - but paying attention  
Contemplating HIS mystery and all of HIS reasons  
All of the things HIS HOLY WORD does mention 2

What's going on - right before the eye  
Spiritual discernment is in need  
For comes the season of G\_D MOST HIGH  
There is no stopping this - no way indeed

Stars peer down upon Earth fast asleep  
Staying the courses always as told  
Oh the testimony of Heaven shall keep  
Time for us to be a witness - time for us to behold

Soon both Heaven and Earth shall bring the testimony  
Of how all defiled - becoming corrupt  
Separating the sheep from all the baloney  
G\_D did gift grace - HIS plan coming so abrupt  
Here it comes - message straight from creation

There in the sky - yes this September  
So very rare - coming upon this generation  
Oh let us recall - let us remember

Oh how the stars and Heavens did sing  
On that night - Yeshua came to man  
Oh what love and grace did He bring  
Please open the heart - please understand

Such celestial events are not a coincidence  
How much more do we ask "what means this"  
It is time to get off and over the fence  
This be G\_D's work - this be His

Signs and wonders - oh so often ignored  
As in the days gone by - who would believe the report  
But alignment celestial - soon be coming our way  
Oh so very close to 5777 Yom T'ruah day

Psalmist your Yochana - praying on her knees  
Pouring out the message of my soul  
Won't you stop for a moment and listen please  
Look to the sky - our Mashiach to extol

Great Babylon has come to G\_D's attention  
Now is His time - now is His judgment  
Don't think there be a rapture or ascension  
For those not even seeing the sign from Heaven sent

Signs and wonders - oh so often ignored  
As in the days gone by - who would believe the report  
But alignment celestial - soon be coming our way  
Oh so very close to 5777 Yom T'ruah day

## 40 Days of Night

40 Days of repenting - beginning with an event  
Sun's light darkened - a sign from Heaven sent  
Issued to the seat - of global empire power  
The fragrance oh Egypt - it be worse than sour

Coincidence you say - this happens 40 days before  
Yom HaKippurim - let us look intently all the more  
Sound the shofars loud - each and every one  
Lets consider t'shuvah - repent before YESHUAH the SON

The days of awe be coming - let us kneel and pray  
Let us sing in hope - we won't get blown away  
Brief window has been opened - MERCY is HIS NAME  
Let us put on sackcloth - may we not be put to shame

Psalmist's heart be dreading - distraught is what I feel  
All the signs being given - don't you know that this is real  
40 Days to repent - before the books are closed  
40 days to get ready - let's not be naked - let's be clothed

Sun won't give its light - moon doth not appear  
If ever a time to consider - now be the time to hear  
Revelation signs appear - come Yom T'ruah days  
Think what is going on - consider the Maker's ways

Yes the cry has been raised - warnings in the past  
Soon the signs be ending - soon we reach the last  
Hour or day we know not - but seasons we should know  
Tis the season to cry out come YESHUAH - BO

Tell the unbelievers - oh please do sound alarm  
Tell the wavering family - we want to see no harm  
But choices must be made - the message must be sent  
Time to scoff at signs - or time to really repent

The day the darkness came - let Israel be clothed in light  
Judgment against the Mitzrayim - what a horrid sight  
The wise men say its normal - happens every now and again  
Psalmist says to raise the warning - time to warn a friend

Oh heavy heart be still - cease thy crying and thy pain  
Mercy comes to the elect - like wonderful summer rain  
Now it be the time - to sing a mercy call  
LORD of light please save us - Israel one and all

Psalmist again doth issue - Psalmist cries aloud  
Get down on thy knees - repent and don't be proud  
Coming from beyond the veil - judgment all around  
Please listen to G\_D's signs - listen to their sound

Wilderness days be here - let us find our way  
Let us look on darkness - let us never say  
That G\_D HE did not warn - that G\_D HE did not foretell  
That G\_D HE did not ring - judgment's warning bell

Psalmist prays and begs - please open up heart and ear  
Psalmist's heart be heavy - for the unbeliever I fear  
Normal things might seem - normal again shall never be  
40 days of darkness - please do repent with me

Great MAKER hear this prayer - please don't turn away  
Let Psalmist's plea rise up - above the darkness on this day  
Let Beloved's call be heard - resounding from the lip  
Comes the biting darkness - upon non-repenting Egypt

## The 4th Kingdom

So Daniel's sight was correct – four kingdoms did emerge  
After Nebuchadnezzar came the growing surge  
Medes and the Persians – followed by the King of Greece  
His kingdom split in four – but never came the peace

But when the four horns faltered – out of one there did arise  
Northwest of the beautiful land – came the fourth – a big surprise  
So enamored with Alexander – with Hellenism they be right at home  
Emerged kingdom number four – comes the power of Rome

Consolidation and assimilation – what a wonderful plan  
Even upon defeat – to the East the empire would stand  
Regaining its composure – power shift back to the West  
Fourth kingdom steadily grew – yes it stood the test

Oh king of Greece thy metal – iron be so hard  
Sweep away gold and silver – knife cutting through the lard  
Thy strength be in thy order – freedom to be sought  
Independence within the empire – oh what have you wrought

Fourth kingdom stands on legs – in the west and in the east  
Personal freedom and materials – being the weapons of the beast  
Iron mixed with clay – empire of independence by the people  
Self-determination rules – even under the steeple

Fourth kingdom it be ruled - not by holy appointed power  
Authority given by the people - to the favorite son of the hour  
It's emblem oh so noble - yes it be so regal  
Western mindset conquers all - it's emblem be great eagle

Fourth kingdom it did spawn and grow throughout the ages  
Please listen to the Psalmist - look at history's pages  
Always under refinement - always fueled in fire  
Always representing - the people and their desire

And riding on it's back - ever present for victory won  
Corrupting and delighting - is mystery Babylon  
Defiling all the holy - empire's religion be a personal feast  
Religion be the whoredom - riding upon the beast

So rises one of fierceness - oh the great deal maker  
One of sinister schemes - a mover and a shaker  
Alas the deceit and cunning - prosper yes it will  
Some will rise so high - but the many shall lose their fill

Thy arrogance be mighty - king of empire's perdition  
Steam rolling over everyone - yes this be thy mission  
Make the empire great - take it to it's height  
Sacrifice oh people - for personal idolatry doth thou fight

On principle fourth kingdom stands  
Personal liberty and freedom - can you see this man  
Oh thou people thou clay thou dust  
Be crushed by YESHUA - the rock thy must

Prophets they have spoken - Yochana sounds the bell  
See prophecy unfold - in this thou shall do well  
Soon the beast shall turn - tired of the whore  
Babylon be just a tool - one soon the beast shall gore

Oh feet of clay such fools - soon shall come the stumble  
Idolatry soon be gone - thy self-determination shall crumble  
Final rule shall enter - oh come YESHUA come  
Oh how saints do wait - bring the final Kingdom

The Psalmist she does warn - praying all along  
Come out of her my people - run from idolatrous song  
Fourth kingdom be at peak - oh please don't be the least  
Run from Babylon you saints - be ready for the beast

## What's In a NAME

What's in a name – after all it be just a name  
The answer be either glory or shame  
Essence be defined by what is thy call  
Is it a name to rise – or is it a name to fall?

First there was A'dam and Chavah as well  
The first two – this is what HIS WORD doth tell  
And A'dam let in sin – clarified by Paul  
Why doth the sin of the father – cascade to us all

The truth in Torah says sin doth not promulgate  
From father to son as a matter of fate  
Our YESHUAH said neither father nor mother did sin  
But the son was blind from when he did begin

Why then doth all that break the womb  
Be fated for death – sin sealing our doom  
Psalmist thinks that death be in each and every name  
Except that of The SON – where there is life and fame

Oh LORD how can our own name be death and least  
With our own name being the mystery of the beast  
Only by choice can some take The Son's NAME inside  
Where life of IT'S own doth reside

Yes LORD – wisdom doth solve the great mystery  
A'dam and Chavah were not alone – with them was me  
Three sixes were there – all humanity by name  
Each and every soul – imprinted with death and shame

Why then LORD doth some names be living – sin atoned  
Is this why YESHUAH has new names written on white stone  
All who stand before thee on their name before THY face  
Stand before THEE – with no saving grace

Oh yes we stand in judgment – all before the throne  
Where YESHUAH be inside – mercy is shown  
But for those who stand on their name – the least  
Stand before THEE with the mark of the beast

Oh yes we were there – each and every one  
Watching and agreeing to what A'dam and Chavah had done  
Just as all stood at Mount Sinai – with a choice  
To yield or rebel to HIS covenantal voice

Only fear of the LORD let the wise speak well  
Resonating in spirit – we will do as YOU tell  
Understanding the truth that our G\_D is THE LORD  
Renouncing their names with a submissive chord

Have you ever remembered these events – or do you miss it  
Has memory from HaRUACH – quickened thy spirit  
Psalmist knows for she has been given this sight  
G\_D's wisdom and discernment – resonates so right

So as believers look for beast's mark not to take  
Remember that it was always there – ready for you to shake  
Imprinted before time – implanted with name overlaid  
This name can be revoked – redeemed children YESHUAH made

So what then can't you get without your beast name  
Oh Laodicea – naked and full of shame  
Thou canst receive the tithe from YESHUAH – HIS gold  
Reserved for the priests – from the days of old

Who did tell you that implant, chip or card  
Was what to fear – how doth confusion bombard  
Having us all look for that name and the beast  
When the choice of names results in chaos or peace

This Psalmist speaks truth – yes Yochana was there  
My own name – oh LORD THOU made me scared  
Then I was there – standing close to Mount Sinai  
Trembling in awe – yes with others I did cry

By YESHUAH'S blood we overcame the beast  
Renouncing our own name – for the PRINCE OF PEACE  
Our choice it be the same – submit to the eternal covenant  
Be the choice made – by Israel – HIS remnant

As we revoke our names the olam each and every day  
Longs to find out – their heritage and DNA  
Seeking and longing to glory in what came before  
Running backwards – deluded all the more

Oh foolish children – so rich, comfortable and feeling no shame  
It's not about us – even less about our name  
Building the tower – let us make names for ourselves in Babylon  
Do we consider such things – do we ever reckon?

So go ahead – watch and look for the beast  
Oh please consider thy own name – it be least  
Your Yochana shall reveal, warn and pray  
Awaiting a new name – at judgment day

Where is wisdom – is all just a mystery  
The son of perdition has his own name – wait and see  
Things will not be so literal – the purported wise will be numb  
Like a thief in the night – will YESHUAH'S Kingdom come

## Witnesses

Two thousand years before - spirit of Elijah did certainly thrill  
The very soul of the Immerser - prophecy doth fulfill  
And so pattern fulfillment - sent from man to man  
Elijah here but not in body - do we understand?

And oh how pattern plays out - yes we saw before  
Anointing and spirit of Elijah - upon Elisha a portion more  
This pattern doth prevail - Moshe upon Joshua did lay hand  
Spirit to Spirit transfer - do we understand?

How YESHUAH revealed - of the wilderness voice  
It was Elijah who bare witness - to receive it be by choice  
Spirit to Spirit transfer - resonance to be received  
Do we understand - the report who doth believe?

So now we look for witnesses - we seek them to come by two  
Elijah surely be one - others look for Moshe or Enoch too  
Who says they come in body - why not Spirit resonance  
Do we think we know the answer - tell me what is the chance?

And while we ask what means this - Psalmist wants to know  
Is single person to person transfer - the only way it goes  
YESHUAH doth give Spirit - special to Talmidim to help  
Breathed upon and transferred - power to the twelve

But pattern did play out - again we look to the past  
Spirit shared from Moshe - upon the seventy it was passed  
And then we see YESHUAH - he doth send seventy out to testify  
Two by two they went - to water what was dry

When the seventy had returned - demons subject to HIS name  
Spirit to Spirit transfer - testifies to our LORD G\_D's fame  
Not just one but seventy - Spirit shared from one  
Seems to be a pattern - utilized by the SON

So we look for just two witnesses - olive trees and lampstands  
Trees and Lampstands share of root - do we understand  
So we think there can't be many - why not multiples of two  
So we think we box G\_D in - not the Psalmist and she hopes not you

Awaiting temple foundations - awaiting authority grant  
Witnesses get ready - doth thy hearts not pant  
Seventy for the nations - perhaps the same or less for Israel  
Who doth know G\_D's mind - who can surely tell?

But first shall come oblation - as in Ezra's day  
Return of the Holy Service - before the build is underway  
Seventh month year one - Yom Te'ruah marks King Cyrus  
Might there be oblation - maybe Pesach fuss

But soon the build will happen - beginning it doth come  
Time for witnesses to appear - announcing YESHUAH's Kingdom  
Testimony in all the nations - and in Israel too  
Testimony by many - the spirit of witnesses two

Psalmist hopes ye hear - Psalmist keeps eyes wide  
Watching out for patterns - so there be no surprise  
Oblation it be coming - Tzion's jubilee when they won  
And with this going on - strong is the synagogue in Babylon

## A Time Such As This

Oh so mysterious – yes LORD THY patterns  
Shaking the pundits – putting their theories in tatters  
So many believe the emergence of King Cyrus  
But what about the rest of the pattern and all the other fuss

First did come the safety – Y’hudah she was spared  
Came the strong Assyrians – Y’hudah she was scared  
King of Bavel so nice – being glad for Y’hudah’s survival  
Yet later we saw the pattern – King of Bavel’s destructive arrival

First pattern it did show – Nebuchadnezzar came to destroy  
Then came servant Cyrus – let them rebuild with so great joy  
And now we see where Cyrus – looks to Jerusalem once again  
What about Nebuchadnezzar though – patterns flipped on end

So lifted from the North – prepares the princes of sour mire  
Readying for the battle is the maggot – King of Tyre  
Still more all around – old hatred of Israel’s ancient enemies  
Convergence takes its shape – comes ALL the prophecies

Wilderness voice did cry out – harbinger of good news HE does come  
Not for most however – planted were the remnant only some  
Voice does cry again – harbinger again will HE arrive  
Good News rides on the clouds – who will listen and survive?

Harbinger was ben Yosef – blessed servant to the last  
Harbinger this time be – ben Daveed coming fast  
First HE came as “judgment” – not being one to judge  
This time HE comes as ruler KING – HIS foot none can budge

Oh Jacob why the curse – Israel though be lifted  
Pursue the new man name – mercy to him be gifted  
Some call themselves by Jacob – others belong to the LORD  
Others cleave to Israel – all hearing beautiful chord

Tis time when men are weak – he-goats, leaders they don't hear  
Thinking they be in G\_D's favor – yet still they have no fear  
Who doth cry for harbinger – good news to beauteous land  
Where be the wilderness voice – who doth make a stand

Speak to them in parables – prophecies do converge  
Patterns will play out – now will come the surge  
Look to all the prophets – they speak with YESHUA's inspiration  
Together prophets converge – in the Book of Revelation

## Princes of Tyre

Ye prince of Tyre - a G\_D thou be not  
Oh simmering iniquity - thou doth ready in the pot  
Think not thou be hidden without identity  
Think not that thou be a mystery

Oh Prince of stone - thou are not the rock  
With authority thou did raise up large flock  
But thou be not like Dani'el - nay not as wise  
Just waiting for thy carcass are the buzzing flies

Yes oh Prince - made so special and bright  
So many blessings gifted - from the LORD of might  
Thou were told to master and to reign  
But self-idolatry didst drive thee insane

Just like your father - the master of lies  
He also shall know the maggot and the flies  
Thou hearts of flesh - hardened just like stone  
Total rebellion - all chance of redemption blown

Indeed there be so many bleating in thy flock  
While so few do seek YESHUA - the living rock  
Thou hast beguiled them all oh King of Tsor  
Now comes the prince - to defile all the more

The sanctuaries be defiled - yes it be a picture so clear  
Iniquity and trade be so ever near and dear  
For the princes of creation hath lifted their own cup  
Lifted up their own hearts - up, up and up

But ye prince of Tyre - shall in a flash  
Be consumed - brought down to ash  
The idolatry of mankind - yes each to their own  
Shall be revealed - all will be shown

Oh prince of Tyre - spawn of bad seed  
Thou never thought to repent - to plead  
Thou did listen to thy king who did seem so bright  
But now thou and thy king - shall be engaged in the fight

Now brutish prince - yes all ye brutish of man  
Let us see thou strength - let us see thee stand  
Yeah but a short time thou has - so quickly have thy way  
For soon comes the ROCK - soon comes that day

This Psalmist she doth message - zealous against the idols  
Thou people can have your gods - at the cost of thy very souls  
Oh princes of Tyre - thou be so great in number  
Be forewarned however - ADONAI HE doth not slumber

Who be THE prince of Tyre - oh just look around  
Candidates be everywhere - yes they do abound  
Working oh so hard - building up their own great name  
All of them still seeking - their own glory and their fame

Let us build up statues - lasting monuments  
Let us worship heroes - forgetting G\_D's great covenant  
Let the people have their way - oh do walk contrary  
Let the people defile - even the supposed sanctuaries

They who say this place - not be big enough for two  
They who say they be in charge - yes they be "over you"  
These surely be the same ones - who lie and say they serve  
Oh prince of Tyre - what audacity oh what nerve

Thy service was not faithful - upon a throne thou wants to sit  
Thou hast received thy Earthly reward - awaits thee is the pit  
On the day thou eats the fruit - partaking of that tree  
Is the day thou surely died - just thou wait and see

The Psalmist she doth cry - please do look and see  
Abandon self-idolatry - to YESHUA bend thy knee  
For the King of Kings be coming - returning to the land  
Coming to take HIS vengeance - coming to destroy thy plan

All thy traffik self-anointed prince and king - shall feel the power of G\_D's sting  
There be nothing thou can do - against HIM nothing can thou bring  
Thy brightness be a plague - in the heart of all Ty-re  
Thou doth not fool this Psalmist - thou be no mystery!

Loyal subjects do make note - Israel not be alone in travail  
G-D's judgment it will extend - it shall surely scale  
One kingdom it be dark - the LORD's it be of light  
Now be the time to choose - on which side will thee fight?

## Psalmist's Lamentation

Amidst the tribulation – amidst all our imagination  
Is heard the groan and shudder – of the souls' lamentation  
Awaiting more correction – knowing it be just and true  
Knowing how unfaithful – the world it be to YOU

Gone is song and timbrel – gone is smile and grace  
Gone is favor to the elders – who doth honor their face?  
Gone is holy halakha – gone is holy separation  
Gone is order in the world – where is holy exhortation

As mankind doth suffer – all be idolatrous nations  
Who doth mourn and hurt – who doth take up lamentations  
Who doth cry to G\_D – who doth confirm how just  
Is the judgment of our LORD – Psalmist cries out yes she must

But far beyond the woe to men – beyond our sorry state  
Is lamentation for the latter – a most horrendous fate  
So few there be who find – grace and narrow path laid out  
Amidst the coming onslaught – for mercy who doth shout?

LORD what have we done – forced THY holy hand  
To rent from THEE THY SOUL – to come and make a stand  
To lay upon THYSELF – all that we have done  
We cry great lamentation – pain and suffering for THE SON

Yes some do lament – please mark their souls you scribe  
Holy ones lament – it can hurt to be alive  
For no matter how we pain – no matter what's been lost  
THOU GREAT ELOHIM – t'was YESHUAH – the greatest cost

Lamentation it be real – saints their souls do shudder  
Lamentation hurts so bad – within saints the RUACH flutters  
For the hurt that has been done – yes the hurt to THEE our LORD  
Sounds melancholy song in us – a deep and troubling chord

Pesach LAMB be given – redemption has a NAME  
YESHUAH be SO GREAT – but the cost – oh mankind what a shame  
Through it all mankind persists – doing what they do  
Psalmist sings a lamentation – yes G\_D just for YOU

For G\_D must pound creation – with judgment oh so perfect  
Righteousness after all – HE cannot neglect  
We've hurt THEE oh so much – presuming all will be forgiven  
Psalmist cries so very deep – for so few are the living

Please saints do lament – let fear of G\_D take hold  
Would not G\_D prefer that everyone – come into HIS fold  
Oh great G\_D in Heaven – Psalmist for THEE cries and doth lament  
For pain and judgment comes – THOU LORD won't relent

All creation groans – such pain is mans' imagination  
But terrible is their folly – to THEE pure indignation  
Making perfect love – into perfect rage  
Comes judgment to this generation – lamentation for this age

Forgiveness be so great – but not sin's consequence  
Patterns circle round – there always be comeuppance  
Psalmist she doth cry – lamentation for our KING  
For balance scales in righteousness – surely HE must bring

Stop with all the glee – pray and fast a while  
Doth not your Aliyah – sometimes cry without the smile  
Haya be forever – sometimes haya be so sad  
There be order in G\_D's seasons – not all of them be glad

## Hosea's Song

Another Prophet – yes another song  
This time Hosea – for Ephraim not strong  
Though it be another mystery – yes another parable  
Prophet's song be true – it surely be no fable

Ephraim first was rebellion - then came Judah's scorn  
Oh so many warnings – reasons to be forlorn  
Yet there be no ears to hear – not now just like back then  
Punishment before redemption – we be coming to the end

Great G\_D doth not contradict – yes thee HE surely cursed  
Then again for Ephraim – we see our G\_D He doth reverse  
Both be true indeed – both be true for scattered sheep  
Some go to the ash heap – redeemed ones G\_D shall keep

Oh what secular whoredom – Ephraim doth play  
In the Golus thou doth like – in the Golus thou doth play  
Using all thy talents – gifts beyond imagination  
Ephraim he doth fulfill –goring all the nations  
Lead them far away –of the Earth yes to the ends  
For thy glory and thy wealth – away the nations he sends

Then there be the blasphemy – yes cursed by the winnowing fan  
Be religious whoredom of idolatry – yes the curse of Dan  
As in the days of Bethel – sacrifices oh so poor  
Aliyah be good in its place – abomination all the more

So Ephraim hath found its home – Babylon be new place  
Thy pride and purported holiness – found upon thy face  
Staying where thy children – be born in foreign land  
No rescue for thee Ephraim – no help from ADONAI's hand

But days of counting have begun – starting with Yom Teruah  
Don't think that Moshe he will save – don't say that thou hath Torah  
Oh yes a whore can be redeemed – but in the GOEL's time  
Times and one half time again – counting be thy sign

If the woman will return – a new price G\_D did pay  
Flee into the wilderness – get ready for that day  
For King Contentious he shall turn – thou shall lose thy friend  
There is only one YESHUAH – for redemption in the end

G\_D HE is great mercy – faithlessness forgiveness thou shall plea  
Understanding signs – new faith will have thee flee  
But from the curse of Dan – nay there be no hope indeed  
From G\_D thou shall hear silence – in thy day of need

Bad enough for thee Ephraim – but thy woes they do cascade  
Defiling oh so far – in thy sin doth Judah wade  
But first comes pain to Ephraim – before Judah doth feel stroke  
Three cycles they shall pass – then both of them shall choke

There be no safety anywhere – stay in Golus brings no pity  
How dare thee Ephraim – high hand against G\_D's holy city  
Hosea's song doth play – halfway point he shows  
Count not just the omer – revelation winds they blow

The Psalmist she doth pray – oh please LORD let some hear  
Let return the sanity – Yirat HaSHEM – yes fear  
Prophet's words be perfect – these do not neglect  
There be no Golus holiness now – G\_D's light doth not reflect

## Song of Amos

No fancy prophet schools - not with the in crowd  
Simple shepherd and farmer - not boastful or proud  
Called loose from the stockade - comes a message of fire  
Judgment be coming - Amos was no liar

Righteousness doth elude - wormwood is thy way  
Thou cannot escape - soon coming is that day  
And now thou be so far away - beyond Damascus thou doth reach  
Deaf to thine own Torah - look close the Psalmist doth beseech

The fishhooks they were used - remember all the pain  
We cry at Yom haSHOAH - oh the evil did so rain  
But troubles they do come - brought forth by ADONAI  
Again thou be so blind - and still thou don't know why

Better listen close - leaders don't serve well  
They all be left so naked - doth the prophet tell  
Oh Ephraim first judgement - comes upon thee where you are  
Thou doth not seek the HOLY ONE - HE of the seven stars

The shepherds in the field - yes they did delight  
The chorus of the Heavens heard - long ago that night  
Next time shepherds wail - yes how will they mourn  
Knowing what was done - remembering treachery and scorn

There be to many times - the LORD takes issue now  
Haughty kins not be good - it be no holy cow  
Thy mo'adim be unwelcome - olah doth not rise  
Take heed and be forewarned - let there be no surprise

But remnant shall be spared - for sake of G\_D's great name  
And thou enemies oh Jacob - shall be put to shame  
Rebellion along the coast - and across the river Jordan  
Punishment doth come so harsh - the LORD doth give command

Thy palaces and power - be broken all ye princes  
Pay the price thou must - for great sin and vexing instances  
Thou hath plagued and cheered along - against Jacob thou conspires  
LORD of HOSTS be furious - of thee G\_D doth surely tire

Summer basket be the sign - harvest of great fruit  
Pass over not again - thou must have the shoot  
Sun blackened in that day and place - were any children counting or awake  
Thy ELOHIM oh Dan - to She-ol doth thou take

Now the times be stirring - soon the Earth doth shake  
Two years comes the trembling - yes here comes the quake  
Day be determined by the judgment - in the olam or Israel  
Be Nisan or Iyyar - look to cry in April

Remember yes thou will - for the LORD doth say these things  
By the tongue and pen of Amos - contention G\_D doth bring  
Yet Psalmist will be brushed off - yes this be thy way  
Crushed be Ya'el's house - history repeats itself that day

## Song of Micah

Hearken all ye Earth the LORD doth testify  
Thou man hath tested - thou man hath HIM tried  
A Faithful Witness G\_D be - yes even until the end  
Now there be short time - soon HE shall descend

Stoking so much anger - be the ongoing idolatry  
Repeat the sin of Lachish - this time thou can't flee  
Spreads back to the kingdom - defiling entire nation  
Doing thy own thing Israel - doing thy own imagination

"In that day" - yes there be more than one  
"In that day" - both times be about the Son  
Rent this kingdom from thee - a new family shall be raised  
Bless the breaker who did come - it is HE who shall be praised

Follow the King out through the gate - leave the evil behind  
Follow the breaker all the time - justice thou shall find  
Render a doleful parable - sing unto ears so closed  
Jacob's trouble be here - forget their haughty and high nose

Folly upon folly - pundits talk of security  
Thou hath no seer's vision - truth be a mystery  
But raised up be the Psalmist - here to sound alarm  
Doing so with loving song - doing so with charm

Sweet love song to thee be sung - receive it yes thou will  
But heed the words of the prophets - nay thy hearts be still  
And so Jerusalem builds - yes it roils in the blood  
Comes thy trouble Jacob - now doth come the flood

But ADONAI doth remember - yes the holy covenant  
ADONAI doth preserve - for HIM always a remnant  
"In that day" the latter - new family shall be free  
Sound the great Yovel - resting under the fig tree

Daughter of Tzion rejoice - yes thou did withstand  
Oh Daughter of Jerusalem - doth thou understand?  
Redemption be so near - right now here in Bavel  
YESHUAH has won the victory - He hath the keys of hell

The sign it be so simple - against Israel do they stand  
United Nations fights them - hate, rebuke and reprimand  
Thy window be so short - for our LORD's reign doth soon begin  
Many come from the nations - not following the national sin

Who be this one from Bethlehem - this one who is to come  
Judgment upon all the Earth - to all and not just some  
For smite him upon the cheek - flee now all is lost  
Hard price to be paid - "in that day" such cost

Oh such majesty of NAME - he and YAHWEH they be ONE  
In that day the next time - in power comes the SON  
Executing vengeance - making the nations cease  
Comes Israel's redeemer - yes to the land be peace

But first comes controversy - first G\_D makes HIS case  
Pleading with thee Jacob - pleading to thy face  
What thou doeth G\_D disdains - sorely so displeased  
Only true teshuvah - only by YESHUAH can ELOHIM be appeased

That generation oh so wicked - "in that day" the latter  
Oh so much dishonor - they look for riches and flatter  
A generation bereft - to each themselves a lord  
Wanting everything - all they can't afford

But remnant Israel shall live - recipients of THY grace  
Inheriting the beautiful land - with the presence of THY face  
Darkness fell because of sin - but light our LORD made shine  
Oh enemy you whore - Babel's destruction is the sign

Micah he doth sing - of two times "in that day"  
Weaving multiple parables - it be the Torah way  
Again come warnings for the Golus - Jacob thou not be safe  
Run you listening children - go back home and find a place  
Psalmist sings from long ago - Prophet's song doth sound  
Time to escape oh Jacob - before thou be again yet bound

## Song of Nehemiah

Patterns and themes in these days return all the more  
Think not be useless the song of Nehemiah the Governor  
Upon his heart did melancholy for his people ring  
THE LORD did have a plan – city build up HE would bring

A businessman, a director – yes one stuck in the Golus  
Who now doth hear his song – hear his chorus  
One with influence – one with means and the skill  
One close to the power – who remembers Jerusalem still

Time has come – oblations started and priests be ready  
Jerusalem's security – it still be sore unsteady  
Where doth rise Nehemiah – envoy from the exile  
The people they be waiting – hurting all the while

Away Geshem – no opponent's rain shall cease  
To stop the Governor's work – nay not in the least  
All mocking and vexing and violence thou hath planned  
Shall put away the work – the rebuilding work shall stand

So to shall the rulers' tight grip on people be made less  
Oh Jerusalem – comes the time for you to be blessed  
Let the walls be built and the gates again to shine  
Oh yes comes Nehemiah – it be another sign of the time

Oh yes Samaritans – ye anti-Judah contingent  
All thy howling – worthless energy be spent  
For G\_D doth bless Tzion – even in short season  
Look deep into the Torah – thou shall find the reason

Amidst the great rebuild – doth thousands take their chance  
Coming home they do – leaving exile circumstance  
Judah loves their genealogy – so do come with thy evidence  
Assuredly some will not – and away they will be sent

Oh LORD please do bless new Nehemiah – hold this on his account  
For in short time doth come – excitement round the mount  
Foundations, walls and gates – looks like things be oh so grand  
Things just be stacking up – for Jerusalem to make a stand

And for Nehemiah - to exile he doth return  
Only to come back again – seeing how covenant did Judah spurn  
Defiling the very Sabbath – going again to thine own way  
Renting soul and clothes – be Nehemiah on that day

Oh ye leaders, priests and he-goats - again thou will fall down  
Falling prey to Hellenism – Babylon’s shiny crown  
Coming of Torah with joy – not be here until YESHUAH’S return  
Celebration of great Yovel – from the Torah thou just won’t learn

But in the latter “in that day” – yes you’ll finally see  
After freedom comes – you will celebrate the Feast  
Only then to learn – then thou shall HIM truly mourn  
Then thy MASHIACH shall be known – thou be so forlorn

Then as in the days of Shlomo and his father Daveed  
Order shall return – yes this the KING HE hath decreed  
Holy Kingdom be restored – Governor not needed we be sure  
YESHUAH KING doth rule – all the land forever more!

## Oh Nineveh

Oh Nineveh – one prophet did warning bring  
Jonah against his will – repentance song did sing  
A generation a chance to listen – 40 times they had to repent  
Would the G\_D of Heaven – HIS judgment on them relent

40 times before – comes the LORD's "days of awe"  
Listen yes they did – mourning they heard the call  
Their wilderness experience – season of testing and trial  
Chance to recant their way – it being oh so vile

Oh Nineveh came mercy - just so thou could do  
What ADONAI – did have planned for you  
To come against our Jacob – to bring the suffering and pain  
Great terror of Nimrod's violence – upon Jacob did thou rain

And then did Bavel come – requiting thee with shame  
Yes oh conquering Nineveh – Nahum said would come the flame  
Doing ADONAI's will – yes none can ever refuse  
Justice comes to those – ADONAI doth accuse

Though Nineveh be destroyed – time and time again  
Spirit of the Nimrod – continues to the end  
Foothold through the ages – Mosul again to power  
Violence and hatred her harlotries – from her did spawn and flower

Yeah a brotherhood of rebels – by blood bring the caliphate  
Darkness across the land – many nations they do taint  
Who be this Nimrod arm – who doth refuse to ever yield  
Who will again attack Jacob – testing Israel's shield

Who be the empire's agent – perhaps thy strength of old  
New generation doth arise – boastful and so bold  
For a generation did repent – yes for Mitzrayim came peace  
For forty years between the two – hostilities they did cease

But now doth rise the brotherhood – trial times be done  
Ways of repenting generation – the new ones they do shun  
Nineveh shall strike again – oh Jacob thy sacred Mo'ed  
Comes again the pain – comes the horrible bloodshed

But prophet doth foretell – festivals will continue  
For with beloved Jacob – ADONAI be with you  
And Nineveh be found – Bavel again brings flame  
Yes you queen of violence – to you will come great shame

Psalmist sings a parable – of Nineveh story be told  
ADONAI's great plan – continues to unfold  
Nimrod be exposed – power of first empire  
Days Of Awe be coming – to Nineveh comes the fire

Psalmist cries for Jacob – for all hatred thou can't be ready  
Staggered though you be – look to YESHUAH and be steady  
Worst of times becoming – beginning oh so soon  
40 years of peace be over – out of Egypt doth Nineveh croon

So get ready oh great Babylon – again doth come the call  
Time to do the bidding – of ADOANI LORD of all  
Time to play avenger – time to smote Nineveh so violent  
Time to hammer the generation – the one who won't repent

## Embrace the Hidden

Two Prophets they do sing – together telling a story  
Not just of long ago – not ancient history  
One is “embrace” – the other is “hidden”  
Telling of latter days men – how they be smitten

One doth embrace – oh how the one doth mourn  
The other reveals the hidden heart - G\_D’s ways they really scorn  
Comes to the city a warning – yes a cry a hark  
But only those who mourn – shall receive the survival mark

As in the days of Jericho – Shofars of T'ruah did sound  
Out of season shouts perhaps – Pesach days around  
From Ephraim’s Gate a cry – from the second quarter a howl  
Crashing mountains shake - Cut off be those who worship Baal

There be secret in the Shiggaion – leads us to the clue  
Back to tribulation – reveals the betrayer - too  
All three connected to Cush – hidden be the man of sin  
Rising up from the tribe – a wolf a Benjamin

Comes super power Chaldees – taking things by force  
Tis the spirit of the Nimrod – violent of course  
As in the days of Noah – G\_D be just so angry there  
Violence that broke Lebanon – covered righteousness made bare

Go and build thy city – see if wood or stone doth live  
By power given to thee –thy idol’s voice do give  
Thy sin doth have no limit – even against thine very soul  
Fill up the cup of G\_D’s anger – fill the cup all whole

Go and spoil all the nations – this be on thine heart  
You tallest cedar of Lebanon – wicked from the start  
Oppress my people while you can – for so short be thy time  
Tribulation time be here – thou can see the signs

The seers be of such light – prophets oh so blind  
Thy judges so corrupt – taking all that they can find  
Defiling the great law – making unholy defiling everything  
Sanctuaries of GREAT NAME – shame is what they sing

But in the midst of nations – in the midst of thee  
ELOHIM doth charge – a remnant there for ME  
So sing you daughters of Zion - and Yerushalayim  
In the end fear not – comes the LORD from haShamayim

Yes in the latter days – in the days appointed  
Shining oh so bright – be HE that is anointed  
Glittering Minstrel now doth speak – surely she doth sing  
Prophets' song be heard – resonance of string

Parable be issued – tis plain message to divide  
WORD of ELOHIM – seek truth if you decide  
If G\_D is real and days be here – doth thou really believe?  
Hear the Psalmist resonate – she prays thou might receive

Two Prophets they do sing – together telling a story  
Not just of long ago – not ancient history  
Embrace be sent through space and time - to help in the Lion's den  
Now the Prophet's song – be coming round again

## Song of Isaiah (והיעשי)

Listen to his song – heed the Prophet's sound  
Wondrous love song resonating – Isaiah's song abounds  
Prophet son of a Prophet – his message not just for kings  
Oh who does hear Isaiah – please listen as he sings

True to form the Prophet – bringing to Israel correction  
Warning of iniquity – warning against insurrection  
For what of your oblations – all things on which you are bent  
Isaiah first sings of old love – covenantal obedience

The Prophet doth foretell – of idolatrous latter days' land  
Prideful Cedars of Lebanon – lifting up thine own hand  
Same Garden of Eden song – when shall mankind learn  
Try to be thine own god – man shall surely burn

Haughty daughters of Y'hudah – lead them all astray  
Who told thee to stand – hypocrisy day by day  
All the while the sons sleep – basking in their own light  
Tis thee Y'hudah first – whom YESHUAH will come and fight

But LORD of HOST prevails – bringing forth Mashiach YESHUAH  
PELE YOEZ after all – is the culmination of haTORAH  
Suffering Servant first – then conquering Right Arm doth arrive  
Holy is the remnant made – those fortunate to survive

But what of all the songs – oh so many there be  
Please look again with spirit - please do look and see  
Songs together doth make Aliyah - oh a perfect story  
Aliyah of everything - song to the KING of GLORY  
First the vineyard song - MASHIACH sings to ELOHIM  
Oh yes THEY are BELOVEDs - YESHUAH sings to HIM  
Vineyard song be a garden - oh what lovely child  
But alas when ELOHIM looks - Israel be wild

And Moab shall not sing - old hatred be so wrong  
No matter what you do - thy idols won't hear song  
Three years shall time come - thy glory will be rent  
Nothing you can do Moab - judgment be Heaven sent

But garden it shall flourish - Jacob shall take root  
LORD of HOSTS be coming - giving hasatan the boot  
What shall thou do then - day star's broken plan  
When MASHIACH sets things right - smiting old Leviathan

First movement be three songs - start to finish story  
Oh wonderful ELOHIM - to THEE be all the glory  
Three songs show big picture - Garden back to Garden  
Three songs tell the history - of what becomes of men

Isaiah doth move on - second act doth ensue  
LORD of HOSTS remembers the harlot - Tyre mystery - Israel you  
70 years doth pass by - yes join the merchant system  
The righteous sing so joyfully - the wicked should be afraid of HIM

In these days our LORD doth work - raising Cyrus by command  
Tis time redemption singing - yes do let Israel stand  
Build up sweet Jerusalem - give her prominence  
City be on the rise again - build walls and build a fence

Comes great second Exodus - highway from afar  
People of the nations - seeking Morning Star  
Dumb shall speak and blind shall see - in great joy they sing  
Making Aliyah so nice - for the beauty of the KING

But in Tzion there be fear - for rebels they don't see  
Nations come out of Babylon - running from the Chaldees  
So much joy and sight - called and strong they fled  
No redemption for the blind though - no peace for the wicked

Redemption be act two - Isaiah sings G\_D's song  
Psalmist prays that thou can see - oh please do come along  
Aliyah be oh so clear - if you read the text  
Now comes war in act three - now hear the song that's next

Singing in Mount Tzion - redeemed they be the yield  
Grace rains down from Heaven as manna - YESHUAH is the SHIELD  
A covenant for the peoples - HE be engraved on ELOHIM's palm  
For the afflicted HE be the healing power- YESHUAH is the balm

Come oh warrior KING - come author of SALVATION  
Come and save the day - come and save the nation  
Hidden all along - right here on scrolls of TORAH  
ELOHIM'S RIGHT ARM - yes HE be YESHUAH

Oh so beautiful Bride - their worship upon thee adorns  
Wrapped around thee like a robe - perfect and not torn  
Sing new song for the builder - HE who brings the light to dark  
Awaken to HIS call Jerusalem - this Psalmist she screams "hark"

The battle shall be waged - all shall know HIS NAME  
KING of GLORY doth descend - now be YESHUAH'S fame  
King of Babel he be blown away - good Cedars of Lebanon do sing  
Finally rest for a weary Earth - victory YESHUAH brings

Third song be a victory - what a wonderful chord  
Battle it be waged - YESHUAH plays strong LORD  
Psalmist hears the love song - do you hear it too  
Search the singing Prophet's songs - Psalmist calls to you

Fourth movement it be best - oh so very long  
Begins in dust but ends in light - what a lovely song  
There be no pit for Beloved - ELOHIM doth lift  
Rise up all you Psalmists - you be YESHUAH'S gift

Awaken from the dirt - awaken and do sing  
Play with string and sound thy voice - MASHIACH do you bring  
Arise and serve the LORD - HIS RUACH you HE doth rouse  
All your days do sing - worship in HIS house

Eunuch and the Barren - tents will be so grand  
All sorrow and confusion gone - thou shall make a stand  
HIS face no longer hidden - HIS light it resonates  
All of this be HIS will - yes this be wonderful fates

All because of new name - surely it not be ours'  
Coming is the time - coming is the hour  
A new thing G\_D will do - yes a new thing HE shall bring  
All for HIS YESHUAH - oh how servants sing

Psalmist sings the song - first sounded by the Prophet  
Patterns again revealed - patterns by ELOHIM were set  
Isaiah sings the songs - together as one tune  
LORD OF HOSTS YESHUAH - THOU doth make us swoon

Focus on the singing - hear the Prophet's song  
It be our YESHUAH - beloveds hear it all day long

## Prophet Festival

Out of exile - and golus did proceed  
The leader from bondage - and subjugation indeed  
Just like the days of old – Great I AM of haShomayim  
Called Zerubabbel HIS SON – out of Mitzrayim

Moshe sanctuary builder – yes a portrait within Torah  
Messianic portent – of the great YESHUAH  
As for Moshe we did see – Joshua there of fame  
Zerubabbel had his co-star – Joshua also be his name

What a calling – what a “word” to lift  
Revealing future King – to receive be such a gift  
Prophecy in part – oh so quickly did it stand  
Days of temple build – by the branch’s hand

Oh Zerubabbel G\_D’s servant – yes thou be David’s son  
YHVH says to David’s LORD – Mashiach thou hath won  
And forever Mashiach be – upon throne the Righteous King  
Zerubabbel be portrait – of YESHUAH yes we sing

70 years again gone by – still no special Israel house  
Psalmist sends reminder – Prophet Festival in Elul he did shout  
When will thee build a special house – give glory to THE LORD  
Stir up hearts oh SPIRIT – sing to them sweet chord

Soon be coming year two – yes of tribulation seven  
Patterns of kings and prophets – raining down from Heaven  
Time to start is soon – four years be the build  
Oh Israel thy workers – be ecstatic and so skilled

But comes Prophet’s Sukkot message – thy Temple it be unclean  
Immanu’el be missing – can you see what Psalmist means  
Zerubabbel be needed – yes clue be Feast of Chanukah  
Ezekiel’s Temple be cleansed – when comes the GREAT YESHUAH

Prophet Festival though his message – not be very long  
Festival Prophet’s message – be wondrous Messianic song  
Speaks to wondrous things – like Mashiach’s portion of the GREAT  
Special Mashiach Festival – Mo’ed number EIGHT

Come to clean HIS dwelling place – sit upon HIS throne  
Prophet Festival does sing – Psalmist has been shown  
Like Judah Maccabee foretold – Hellenism be going down  
Independence coming – Mashiach to wear HIS crown

Please do listen to the Psalmist – dedication calls  
All will shake so hard – the clay seals they will fall  
YESHUAH be the signet – yes Ephod every stone  
Mashiach be Yehuda's heir – signet ring be his alone

## Days of Awesome

Each and every one - shall be brought to knee  
Beaten down or mercy plea - or perhaps plain old idolatry  
All be on a journey - some do make the aliyah  
Some know days of awe - a remnant cleaves to Torah

Awesome be THE G\_D - YHVH the ancient NAME  
Oh great G\_D of Israel - CREATOR one and the same  
Each and every cycle - mercy call it can be sent  
Days of Awe be here again - the righteous do repent

Shofar sounds the call - Psalmist she doth cry out  
Know the fear of the LORD - on thy knees get down and shout  
For not peace be the message - mankind's journey it doth send  
Destroyer be set free now - in sight we see the end

Cycle two be looming now - oh such tribulation  
Mankind doth continue - in vain imagination  
One journey be a grand descent - worship of humanity  
While aliyah doth make ascent - mercy LORD please mercy

Leviathan doth squirm - places shall be strafed  
Even sanctuaries - places called to be safe  
Vexation it doth follow - descent and aliyah alike  
Comes the swords of justice - falling as a spike

Saints do seek the "ROCK" - between the swords is "SUR"  
Now be the time to get ready - please listen all the more  
Days of AWE be here - more than ever time to **TrusT**  
Saints in Judah and beyond - listen now you must

Violence be so normal now - children sacrificed each day  
Anubis has no power - mortal death shall have its way  
And Seth there be no need - chaos reigns supreme  
Slavery and old sins be perfected - a generation oh so mean

Time to buckle up saints - Psalmist again doth cry  
Tribulation be ramping up - tis the season saints be tried  
Don't think there be great rapture - many saints shall fall  
Days of Awe be here now - listen one and all

But destiny doth not falter - G\_D completes what HE doth start  
Feel destiny oh ye saints - way down in thy heart  
Days of Awe be upon us - let us kneel and pray  
Pray we can withstand - Mashiach coming in "that day"

Let us rise above - the din of olam hazeh  
Let us know and do the charge - each and every day  
Let us hope our G\_D - doth hear our mercy call  
Tribulation it does smolder - it be the Days of Awe

He who seeks to save their life - yes this one shall be lost  
Great MAKER designates survivors - not all saints will be lost  
And mercy it shall extend - for many who do not call  
Upon the LORD of HOSTS - who knows the mind of the G\_D of AWE

Window it be open now - oh RUACH visit saints I plead  
Reveal to them their destiny - G\_D's will is what they need  
Psalmist she doth intercede - knowing the price to give  
Willing to follow YESHUAH - for HIM alone a life to live

## Oh Babylon

Weeping Prophet takes up - parable against thee  
Oy to Babylon – waves coming you will see  
Run so fast my Jacob – run home to survive  
There be for thee in Bavel – just no place to hide

Thy defilement – oh yes the stink of thy hate  
Hath risen high to Heaven – oh Babylon the great  
So mysterious be – this mingled multi-imperial thing  
Against thee Babylon now – doth the Psalmist sing

Babylon be riding – yes on the Olam's back  
But now oh ravenous whore – thou doth suffer Olam attack  
For the curse descends – peoples driven by gross indecision  
A peoples called "Minee" – there be simply only division

Oh yes all the clues – to thee see how they point  
4th Kingdom all ye children – generation did G\_D anoint  
Ashkenazi not be blessing – succumbed to Alexander oh so strong  
Thy journey it be filled now – after many days so long

So now Bavel doth grind – Olam it does fight  
Battles in the street – between the left and right  
Divided kingdom falls – one Imperium shall persist  
WORD of ADONAI – how can mortals resist

Ironic yes it is – torn apart from inside out  
One against the other – rulers they do shout  
Olam wants no reins at all – it be simply about the "me"  
Babylon holds so fast – to its blind idolatry

Divided kingdom can't survive – Jacob don't get caught  
Make the holy Aliyah – flee from pending onslaught  
For comes destroyer soon – wash away everything  
Psalmist pleads and cries out – Jacob hear her sing

All clues they point to Noach – pointing to the flood  
Foretelling of destruction – heaps and heaps of mud  
City that doth never sleep – sleep all surely will  
Wave doth wipe it out – forever to be still

Yes torrent be the voices – peoples of all nations  
Judgment it doth satisfy – all pundits' imaginations  
Pave the way wave does – wipe out indecision  
Pave the way it does – comes the horror the son of perdition

Oh Jacob won't you hear – amidst the rebels thou be dwelling  
Waves they now be growing – can't you see them swelling  
Comes another warning – comes again a fateful cry  
Weeping Psalmist she be crying out – Prophet he doth not lie

Yes Judah be for thee – to go back to that place  
Oh so brave an Aliyah – don't harden thy lovely face  
For redemption doth draw nigh – even though tribulation it doth sing  
Jacob home in Israel – they'll be saved by YESHUAH the KING

## Oh The Mystery

Oh the mystery – oh what RUACH does let see  
Ever humbling – resonates so deep inside of me  
Things unspoken – going on all around  
Mysteries of the Heavens – within our realm abound

Doth mankind – ever stop to see and listen  
Doth mankind – consider what he be missing  
Signs and wonders – these latter days how much more  
Ignorance not be bliss – consequences oh so sore

Heaven doth descend - mystery be the breach  
Pay attention sons of men – how the Psalmist doth beseech  
For visitation comes – portal be open wide  
Don't be caught asleep – let RUACH be thy guide

Powers and Principalities – they again be marching strong  
Knowing that their time – it be short not long  
Judgments they be opened – mankind the time is nigh  
Look with RUACH to the Heavens – please look to the sky

Yeah they say we're silly – even out of our minds  
All the same they're there – in the sky the signs  
Comes the riders on the horses – don't think G\_D's WORD be just a story  
Believers know the truth - G\_D's WORD be "history"

Leviathan be let loose – the people it shall swallow  
Those who choose to stray – rebels who will not follow  
The LORD of Light YESHUAH – please HIS light don't dim  
Pray HE light you up – Psalmist pleads you pray through HIM

Prince of Air commands – still with authority  
YESHUAH saw the satan fall – Luke testifies to thee  
Let thy Spirit strengthen – not for gifts or power given  
Rejoice because thy names – are written with the living

Abounding so many wonders – won't you look and see  
Anyone and everywhere – it not be a mystery  
For now the time be here – wickedness doth take up their station  
Now be the time for tribulation – time of the visitation

Signs and wonders they be grand – yes even darkness can be good  
When we stop to understand – when we look and listen as we should  
Supernatural is alluring – super natural we might think cool  
Super natural be not always for profit – oh please don't play the fool

Psalmist she doth pray thee – ask G\_D for advice  
Powers that be dark – can present itself as nice  
Look and record what you can hear – even what you can see  
Then find one who discerns – perhaps the truth they'll tell thee

Signs and wonders they be real – they be not the mystery  
“What means this” be the question – what is it that you can see  
All answers be the patterns – answers from RUACH alone  
Rightly divide the WORD – not just what you've been shown

Gathering doth take place – foulness flowing to UR  
Traveling to the East – migrating to the tower  
Chaldees be the clue – legend states the beginning of war  
Who can withstand such – we need YESHUAH all the more

## LET MY PEOPLE GO

Messenger doth cry out – people listen up  
The LORD be ready now – filled be judgment cup  
Warned enough be Mitzrayim – told be Israel  
Seems no one is listening – Psalmist she doth tell

NAME of G\_D revealed – first be EL SHADDAI  
eh'yeh ásher eh'yeh – HE be ADONAI  
But to Moses came a gift – more familiar Y@HOVAH  
Full circle do we come now – Redeemer be YESHUAH

Israel's great Mashiach – HE hath been revealed  
HE be the great YESHUAH – by HIM judgments be unsealed  
Poor people so enslaved – spirits crushed and numb  
Same but different now – still under Pharaoh's thumb

YESHUAH doth call out – listen up you Pharaoh  
Don't play deaf and dumb – surely MY NAME thou doth know  
Thou can twist the truth – thou might surely lie  
MELCHIZEDEK be ever strong – this thou can't deny

Psalmist doth bring weapons – rod and pluck of hand  
Resonance to pain thee – oh yes Pharaoh understands  
Message doth ring out – Pharaoh yes he hears  
Still crushing all the people – mocking all their tears

Hear you Principalities – Listen you wicked Powers  
MELCHIZEDEK be coming – rip down all thy towers  
The people must make Aliyah – leave Mitzrayim forever  
MELCHIZEDEK doth command – from thee people I will sever

For Israel be MY son – even MY first born  
Thou hath treated him with bondage – crushed him with thy scorn  
Taught him to forget – the covenantal promise  
MELCHIZEDEK be coming – Israel to redeem and bless

Psalmist doth send message – Psalmist doth sing verse  
Lowly though she be – she proclaims the curse  
Listen close oh Pharaoh – these words yes you know  
MELCHIZEDEK commands thee – LET MY PEOPLE GO!

For nif'l'otay shall rain down – wonders for Israel not to harm her  
MELCHIZEDEK be for the people – their full and shining armor  
Message yet again – same but different from long ago  
PELE says to Pharaoh - LET MY PEOPLE GO!

## ha ZEFEQ

The beast be ready now – ready to infect  
Bubbling up within his throat – be three wondrous zefeq  
Oh foul unholy goiters – doth thou come out to delude  
Miracles and healings – lead astray them so confused

For mortal yes man be – oh first death not to taste  
Has so many running – for healing out of haste  
But look beyond the miracles – doth healer yield to Torah  
Doth healing power stem – from glory of YESHUAH?

Doth healer talk to the dead – doth healer have own power  
Doth healer know of secrets – ways to use the flower  
Doth healer walk straight path – is spirit holy and true  
Doth healer desire far too much – from the soul within you?

Re fa-einu ADONAI ve ne'ra fe we cry  
Heal us great "I AM" – please lift us up so high  
But let not our mortality – give us such a fright  
Let THY will prevail – let THY Torah shine so bright

Where be healers Tov – those with charge aligned  
Healers through HaRUACH – can we see the holy sign  
Healers not blown up – with worldly me me me  
Healers ever humble – praising King of Majesty

Lo Mashiach must be there – look so wonderful and strong  
Miracles and healings – poor people waiting ever long  
Run away poor sheep – don't let fear take hold  
Let G\_D's will prevail – stand tall and ever bold

The days be short enough – extra wicked are the signs  
Redeem the days right now – yes redeem the time  
Run to G\_D alone – for comes unholy zefeq  
Know what the Torah says – this please don't neglect

**Psalmist she be tested – has seen three hazefeq**  
**Foul healer tried seduction – dreams upon her as she slept**  
**Oh RUACH guide us all – from evil let us flee**  
**G\_D be israel's only healer – let it always be**

Darkness comes as bright light – ravenous wolves do eat  
Fear not the pending storm – or the fate that thou shall meet  
For G\_D's will it be perfect – so many shall follow blind  
In the hardship of mortality – eternal life in YESHUAH do find

He who saves his life will lose it – this saying doth ring loud  
Saints be different though – not following the crowd  
Recognizing evil – couched within the light  
Torah doth reveal this – yes Torah do shine bright

When thou gaze upon the healers – yes when thou doth gawk  
Remember nasty goiters – reminding you to walk  
Let G\_D's will for thee – be enough to bring shalom  
Don't let wicked healing – keep a saint from going home

## **A Song of Songs for the Bride**

I want to sing of this special love;  
That Yeshua has for His bride, His dove.  
There is nothing on earth that can compare;  
To the holy love for His bride so fair.

He sees as most beautiful of women His bride;  
Not only the outer but the beauty inside.  
He desires her with a passion so extreme;  
She has captured His heart with her beauteous gleam.

A bride so special, with heart only for Him;  
He is just waiting for your song to begin.  
The new song you'll sing with harp and lyre;  
Will beckon the Bridegroom to your holy desire.

He sees the radiant beauty of His beloved ones;  
Beautiful as the moon, bright as the sun.  
Unquenchable is His love, strong as death;  
May you sing this desire with every last breath!

You have been set as a seal upon His heart;  
He is jealous for those He has set apart.  
It flashes like fire fierce as the grave;  
Of this love, many waters cannot stave.

Your Bridegroom Yeshua, distinguished and ruddy;  
With eyes like doves, besides streams of water.  
Altogether desirable is He the Groom;  
The bride is lovesick, O please come soon!

Vines are in bloom, the fig tree is ripe;  
He is coming to His garden of flowing spice.  
The flowers appear, the rain is gone;  
A time of singing has now come.

Our Beloved will speak and say at last;  
Come away my love the winter is past.  
He will gather His lilies, one by one;  
All those waiting for the Bridegroom Son.

To Him your love is better than wine;  
O can't you feel this love so divine?  
From Yeshua , the Bridegroom all decked in jewels;  
Flows this passionate desire only for you!

Until the day breathes and the shadows flee;  
Away to the mountains, He takes His lovelies.  
O select ones, so desirous as the Bride;  
You have captured His heart with the glance of your eyes!

O beautiful bride, Yeshua's special love;  
Without flaw, you've been perfected from above.  
He is the One whom your soul loves and clings  
O for that day to come, will you please sing?

## **Psalmist's Heart**

1: Oh Lord my G\_D ... my very salvation ... the Yeshua within my heart

2: How doth my soul contemplate thee all the day and through the night

3: My very being burns within at all times delighting in thy tender mercies and miracles

4: My life would fail Lord if not for the hope and desire of finding thy face at the end of days

5: Yet the sons of men have forsaken thee beloved for the powers of Earth that be

6: I shed tears upon my soul knowing in my heart what awaits those who do not fear THEE

7: But more so beloved Lord my soul cries for it is thee who is offended – it is thee who is rejected

8: Thou who has given freely everything from thy great storehouse – even more - thine only Son

9: Break thou oh heart of mine, never ceasing in grief and dismay – for the folly of man doth wax more

10: Bless thee forever in thy righteous anger and heartache - my beloved Lord

11: Were it not for thy charge given to thy servant Lord – would I not be in thy sanctuary all my days?

12: There I would celebrate in the shalom of thy presence – dazzled by thy light – serving thee with joy

13: For now beloved Lord may it please thee greatly that thy servant doth long for thee continually

14: Though stumbling and meandering, thy servant seeks the goodness of thy Torah – so that I may live

15: Bless thee oh Elohim – lift up mine head from the dust - let thy servant kiss the feet of the Son with my sacrifice of obedience and worship

16: Soul to soul doth my beloved Yeshua beckon to thy servant – calling from the realm of Heaven

17: Hark oh ye children of men – will thou be deaf forever? – will thou be blind until thy souls descend to she'ol screaming alive?

18: In that great day when the brilliance of my beloved Lord doth shine upon all creation – exposing what is both chaff and select – shall thou cry out

19: But to the wicked shall my beloved Lord turn the deaf ear to thee foolish children – to the wicked shall my beloved Lord turn a blind eye unto thee

20: Not so for thy servant Lord – who has sought thy covenant – who has thirsted for thee with soul renting all mine days

21: The Lord desires not that the praise and song of mankind for him be silenced forever by the depths of she'ol

22: In that day the Lord shall exalt his lowly servants and give them Salvation – give them shalom – give them the desire of their heart

23: Then forever more shall thy servant Lord lie in thy bosom – thy tabernacle – shining in the light of Yeshua

## Beloved In Arms

This Psalmist calls out to Beloved in arms  
Fear not the pending storm - you shall not come to harm  
Order has been given and set is the seal  
Oh yes - the 144,000 - believe - we are real

Yes like David in his gifted glory shall we sing  
To awaken the very dawn with voice and string  
Away darkness - away all the enemies that fight  
Comes our Morning Star - ever so bright

Those Beloveds sleeping - rising up first upon great shout  
Meeting Yeshua in the air - so glorious and stout  
Then Beloveds alive chiming in with new tune  
Oh can't you feel it - all this be so soon

Who hath a heart like David of old  
Who hath been sealed - who hath been told  
By messengers and anointing the truth is revealed  
To even loved ones and friends this truth is concealed

Beloveds awaken there is so much to do  
Search through eternity - this one calls out to you  
Have you blessed and always do you give  
Awaiting something so special - always do you live

There assuredly be Beloveds who appear to be base things  
Nevertheless our G\_D has ordained they shall sing  
What Beloveds be in the realm beyond great rift  
Is the revelation that they be elected's gift

Sealed to bless, call, protect and survive  
As in the days of Noah those close will stay alive  
Oh yes you will know of that special refuge place  
You know it in soul - there be our LORD's face

Awaken Beloveds in arms - it is time  
Look for it - G\_D is sending out the sign  
Truth be woven in soul before it did begin  
You've felt it - now trust in HIM

Pray real hard for our prayer does G\_D hear  
Oh to Beloveds G\_D is always so near  
Just see the patterns - again and again they do play  
Patterns in HIS WORD will show you the way

Is G\_D's WORD alive - are you living as dreams  
Do people tell you that you shine and beam  
Are the broken and needy sent to you for relief  
Are you special - can you help their grief

Do you experience the great wonders and signs  
Does Torah pull your heart - do you walk a straight line  
Have you been sifted from Babylon the great  
Has your soul fluttered - considering such fate

All along has your heart been for others  
Wanting to care for sisters and brothers  
Humility always chasing such thoughts away  
It's time to gird up - you be needed for that day

Don't let Nicolaitans stifle the new song  
They be about order and themselves all along  
Thinking that ministry always is G\_D's will  
Don't let be silent what inside has been instilled

G\_D's selections and choices do confound the wise  
Even believer's jaw shall drop when looking to the sky  
For shepherds and he-goats will not be in favor  
Leaving the unlikely - the ones G\_D does savor

Chazak, chazak the end days do loom  
Shortly we shall hear the LORD's wondrous boom  
Time to gather close ones under wing  
Time to nurture - time to sing

Call them Beloveds beckon them to safety  
For they belong to the King of Majesty  
Like all Beloveds - special blessing you be  
Please listen to Yochana - please listen and see

## Morning Star

Come Beloved – Wonder Morning Star  
Thou be so nigh – never too far  
Brought forth as first – as itself the very life  
Soulmate of ELOHIM – everything – child, word and wife

Tasked with the creation – making everything  
Designing oh so perfect – designing everything to sing  
Of the perfection ELOHIM is - and will always be  
The very light of humanity – seeing ELOHIM shine so brightly

When the Heavens did rebel - not liking holy servitude  
Going oh so far – mankind they did delude  
Oh Morning Star was asked - to lay down divine itself  
Go and save creation – soulmate they need Thy help

Oh Beloved Star – what perfect love was given  
Just so the creation – could be saved and go on living  
All sin and deep transgression – taken upon Thy back  
Thou emptied Thyself completely – deep into the black

Overcoming sin and becoming perfect love  
Thou reconciled creation – with ELOHIM above  
Becoming grace and mercy – right here in the flesh  
Oh Beloved Moring Star – G\_D and Thee are one nephesh

Perfect and so righteous – yes Thou are the Torah  
Also life unto Thyself – Thou are the great Yeshuah  
Given all authority – Thy portion among ELOHIM the great  
Beloved Morning Star – election's wondrous fate

Beloved Morning Star – please do shine within  
Bring us back so far – to when it did begin  
Let us sing new song – yes a song made just for You  
Come quickly with the dawn – for Thee our love is true

Just as Thou was cleaved - from great ELOHIM  
Thou hast cleaved us as well – yes it surely seems  
With Thy perfect love – awakened in us deep inside  
Now we be soulmate too – in us Thou doth reside

We clamor for Thy glory – time to ride the light  
Time to come in power – time to come and fight  
Thy Bride great Moring Star – she be in distress  
We just can't go on – without Thee we confess

We cry out to the dark – we cry to wake the dawn  
With new song that we sing – a new song we did spawn  
Inspired by Thy greatness – inspired by soulmate  
Inspired by Yeshuah – salvation's life so great

Please listen to our voice - please do heed our string  
Come oh hurrying Lord – come oh saving King  
Thy soulmate doth await Thee – with a panting heart  
Save us Beloved Morning Star – as Thou planned right from the start

Who is named Pele – Who can be called true Wonder  
Only our Morning Star – You be the one we ponder  
Spreading soulmate love – just so children will believe  
Spreading soulmate love – to Brides who shall receive

Woman or man means little – in this great mystery  
Except to comprehend soul love – this cleaving and ecstasy  
For soul love goes so deep – love it be the key  
In understanding Morning Star – as His Majesty

Sing you brides do sing – the dawn you must awake  
Time to wake the Heavens – the Earth your song shall shake  
For with thy melody – and thy lovely string  
Soulmate of all creation do you surely bring

## Spirit To Spirit

Spirit to Spirit - Psalmist does call out across the land  
I know you are out there - you 144 thousand  
In this realm or the better - just awaiting for G\_D's seal  
Feel it, know it, believe it - all of this is real

Onslaught it be coming - you can feel it deep inside  
Time to think of shelter - somewhere to reside  
A place where G\_D will lead you - show you where it is  
This our LORD shall do - you are special - you are HIS

Do you call out to the elect - do you beckon some to you  
Or do they just keep cleaving - this could happen too  
But be aware you must - with G\_D there will be order  
Please listen to my plea - time is getting shorter

Now more than before - so many seem to slumber  
The remnant need a guide - they be so small in number  
Awaken to the call - time to listen and take a stand  
No time for playing church - now comes reprimand

Spirit calls to spirit - please Beloveds pray  
Destiny is calling - you just can't turn away  
Open up your hearts - upon you others will depend  
It is you to whom the friends - G\_D will surely send

Be it just like Noah - or even Rahab the prostitute  
Destined to survive - this you can't refute  
G\_D desires Israel - to stand and be haEdah  
Witnesses to Him - witnesses to HIS YESHUA

Can you see our Lord's selections - patterns that do sing  
We find the pure and unblemished - in the humble and base things  
Many sayings be literal - others given to be a shadow  
Look for signs and pray - Spirit tells you what to say

Await the declaration - it won't be of your self  
A message it will come - He'll send all necessary help  
But know that action is needed - time to get in gear  
Psalmist calls out to you now - for the time is near

Time to speak to loved ones – time to consider end days  
The storm is surely coming – it be on the way  
Even short of faith and perhaps with little trust  
Soon they must be told – despite these things you must

This be about survival – this be about Yeshua's reign  
This be about filling up Israel's bridal train  
Be it tzit-tzit or robe – some will grab on tight just few  
They knowing in their hearts – that G\_D really is with you

## Looking for the 144,000

Could it be you are a select of our LORD?  
Having a special job, being one of the 144?  
To take care of a group, perhaps they be small;  
To keep them alive, sustaining life to them all.

Are you the one who will keep them alive?  
Are you the select one who will help them survive?  
All through time God always had a group;  
Who would survive the tumult and make it through.

God wants witnesses left on this planet;  
To proclaim the testimony of all that will happen.  
Just like in the days of Noah, there was a group of elect;  
Those whose very survival depended on a select.

God instructed Noah and he did believe;  
Then he told his family and they too received.  
Noah prepared the ark to protect family and float;  
For when the waters from earth and sky would explode.

Only the seven plus Noah did listen.  
God shut in the eight for safe keeping.  
It was the haven of life for those eight;  
To survive the judgment, the flood so great!

But those in the world would not listen to him.  
Giving no heed to the coming judgment for sin.  
To think that in the entire world there would be only eight,  
Who would survive God's wrath, to have such a fate!

So now we look and see the signs.  
The days of Noah are here at this time.  
Are you the blessed one who will warn?  
Those who are close to you will be protected from harm.

Do you know what G\_D's assignment is for you?  
To bring them to life, to survive what God is about to do.  
God has His select ones, they are the bride.  
Those who cling to her robe will be the ones who survive.

For that day may come like any other day;  
People doing their thing, engaging in play.  
Things may seem normal if you are not paying attention.  
Soon comes swift judgment from another dimension!

Are you a beloved, one of the 144?  
Are you preparing? You should know what's in store.  
For if you are one and choose to believe,  
You will witness G\_D's plan, to you they will cleave.

The brethren's very survival will soon be at stake.  
They must stay close to a beloved for their own life's sake!  
If you are a beloved, meant for this time;  
Stay on course, watch for the signs.

Helping others to survive, that you've been given.  
Do you know who you are, do you understand the mission?  
Know there are others on earth right now;  
Who are preparing and waiting for this to come about.

Listen to G\_D, He will put things in motion  
He may even bestow a double portion!  
Most important for the 144, for this they yearn;  
To sing the new song of the Lamb, to call for His return.

I have waited so long to sing for my King;  
Yeshua come soon, we are all waiting!  
In the meantime, the beloveds will take care of your elect.  
Thank You Father for the charge of the select!

## Servant Resonance

Instructions given oh so long ago  
To a talmidim our LORD did love so  
Revealed that only servants like him could understand  
The great Revelation from our LORD to man

What means this is the question that we ask  
Who are the servants and what is the task  
To begin we were told to shema and believe  
The prerequisite before we can receive

Before anything - was revealed the path of the people  
Oh how we did see the years and church steeple  
Traveling a path defined millennia before  
Until finally our LORD shall have it no more

Then and only then when the cup is up to the brim  
Then and only then shall latter signs and judgment begin  
Kicked off of course by a trumpet voice - a blast  
Revealing the power - present, future and past

Then new resonance - new song did commence  
24 Beloveds with their harps, prayers and incense  
Prayers of the saints - crying worthy is our LORD  
Only YESHUAH - from ABBA given special chord

Again resonance - commanding look this way and see  
The coming of the riders and horses that shall be  
And we know that they ride - when the event is marked and doth shake  
The wrath of YESHUAH makes the Earth quiver and quake

Yet mercy in the midst of judgment yet again  
Oh such mercy from the throne until the end  
Comes the seal for the Beloveds - those anointed  
For these days - such times are appointed

Then the seal of judgment - resonance it doth cease  
Silence in Heaven - for Earth no more peace  
For trumpets and horns doth blast out resonance  
Bringing pain and anguish upon an Earth without repentance

Oh whoring mankind - bitter water test did fail  
Infidelity to the Husband - as creation it doth pail  
Defiling land and water - with thy lumination thou doth make  
Look at what's been done - to ocean, rivers and the lakes

But sleep it doth continue - as in the days of Noah  
Pundits looking hard - for a modern day Krakatoa  
But still the days proceed - and the prophecy it doth flow  
Truth be only revealed - to servants HE will show

Resonance to Resonance - sounded is the chord  
Get ready people of Earth - coming is our LORD  
Further things be along - judgment be on the way  
Soon so many shall be wailing - crying out oy vey

Rise up knowing servants - doth no one hear the call  
The great and wondrous surge - coming before the fall  
Sealed ones must be ready - there must be more than one  
Rise up Beloved sealed ones - tell them where to run

Time to prophesy again - yes many they shall hear  
Little book has been eaten - time to get in gear  
Resonance so sweet - honey on the tongue  
Bitter resonance of message - the Earth will surely plunge

Oh resonate so lovely - Beloveds speak of love  
Warning and the mercy - coming from G\_D above  
Oh elect return - repent and to YESHUAH run  
Too late to escape the judgment - but find mercy in the Son

G\_D doth speak to servants - a special resonance  
All things do line up - nothing left to chance  
Where be dreams and visions - signs up in the Heaven  
Who doth listen now - for the resonance of the seven

Listen and obey - to the prophecies in the Book  
Listen for messages from those - allowed to take a look  
G\_D told us long before - what would happen in these days  
Revelation 12 be coming - who can know G\_D's ways

## Arise Dry Bones

Arise My Lovelies – no time to be dry bones  
Hear the Psalmist's song – hear the light that's shown  
Ready thy selves - for the grave rest be coming to an end  
Come Beloveds – thou hast a song to send

The Beloveds in YESHUA - surely shall rise first  
Oh dry bones – how thou for so long did thirst  
Come and meet the LORD – first up in the air  
Come and meet the LORD – risen ones first be there

Be joyous oh dry bones – put on light and skin  
Listen to prophetic words – let it all begin  
Awaken dry bones – yes doth the Psalmist sing  
Hear the LORD's command – within thy soul and ears it rings

Beloveds have been waiting – patience is their way  
Waiting on our LORD – waiting for such a day  
When the prophet's words be spoken – thus saith ADONAI  
Arise and live again – Beloveds whose bones be dry

Soon the Psalmist will arrive – and sing to thee up close  
For now just be excited – latter day winds they do blow  
Let thy souls be stirred – get ready for Mashiach HE is nigh  
Soon Beloveds arise – thy bones be living and not dry

Oh destiny and fate – what is this thing the LORD hath completed  
My Beloved brethren – in thee hath YESHUA seeded  
Thou shall sing new song – resonate with thy strings  
Thou shall call HIM back – thy song YESHUA bring

Rise up soon and ascend – meet HIM in the clouds  
Then be joined by the living – all the Beloveds shall be found  
For the LORD of Hosts – shall instruct thee on thy way  
Send you to Jerusalem – to stand for them that day

Leaders, Priests and He-Goats - found to be so weak  
The ones standing in the gap - be the Beloveds fierce and meek  
Called upon to rise - House of David a special being  
Beloveds be those standing - Israel and the enemies shall be seeing

Upon the battle front - doth Beloveds rise  
YESHUA He be waiting - furious in the sky  
When moment be just right - HE comes with jealous zeal  
YESHUA comes to save Beloveds - Psalmist doth reveal

Get ready all my brethren - Psalmist she doth cry  
Get ready all my brethren - both living and whose bones are dry  
The LORD HE doth command - rising time soon comes  
Dry bones that shall live - are not all but just Beloveds some

Listen to HIS prophets – LORD YESHUA HE hath spoken  
Prophecy revealed already – HIS WORD cannot be broken  
Parables be given – just so they can snare  
All the self-proclaiming wise men – chirping loudly as they dare

Who be these special saints – those awoken from dry ground  
Awakened to new life – destiny has them found  
Psalmist sings to thee – ready thy precious souls  
Soon living WORD doth command – arise and be made whole

## Soul Rent

What hath soul love shown – love of soul be best  
Of all that gives shalom – soul love burns the best  
This be known in our realm – if experience of RUACH doth prevail  
Soul love overwhelms – HaRUACH blows the gale

What of soul love greater – love eternal that is haya  
Soul love that is perfect – between ABBA and YESHUAH  
To know and be G\_D's pure love – to yada nothing else  
To rent thy very soul in two – providing creation with needed help

Before the world was formed – YESHUAH did sacrifice  
Being separated from ELOHIM – being rented from pure life  
Oh calculate the cost – consider all the pain  
Renting thy soul to leave it's love – so that rebels and sinners gain

There be no acceptable sacrifice at all – if not at the highest cost  
There be no sacrifice so great – as eons of soul love lost  
Rejection, betrayal and suffering – to loss of love doth pale  
Being rent from soul love – an eternity in jail

Who doth hear the Psalmist – who doth know such love  
Who doth know G\_D's sweet caress – tender upon the dove  
Who doth know soul fear – imagine pure love to be rent  
Losing perfect soul love – t'was given from Heaven sent

Beads of blood did flow – from YESHUAH'S beauteous head  
Not for fear of pain – not for soon that HE be dead  
Fear did take it's toll – for perfect love soon lost  
Separation from soulmate love – unimaginable cost

Oh FATHER how THY righteousness – makes groan my soul inside  
Rented from within THEE –YESHUAH not allowed to abide  
Becoming what THOU are not – condemning perfect soulmate  
YESHUAH became our sin – the thing that THOU doth hate

Psalmist she doth writhe – considering such a breach  
Perfect sacrifice of pure love – only YESHUAH HE could reach  
Go to them my SON – rent THYSELF from soul light  
Go to them my SON – for them stand and fight

Oh YESHUAH how I swoon – this thing that THOU hast done  
Separated from ELOHIM – son of man did THOU become  
Mocked and scorn and sacrificed – greatest torment of all time  
Sacrificing pure soul love – oh victory divine

And what of coming wrath and fury – not for disobedience  
But contemning perfect soulmate sacrifice – not loving perfect innocence  
How dare thee sons of men – scorning gift from perfect dove  
Choosing dark and wickedness – spurning soul love from above

If sons of men in zeal – guilty loved ones to the death protect  
How could ELOHIM – unrighteousness neglect  
Yes ABBA's perfect soulmate – for mankind did life spent  
YESHUAH to save creation – from ELOHIM did rent

Psalmist she doth plead – search deep within thy soul  
What greater sacrifice there be – than choosing to become un-whole  
Let us praise BELOVED YESHUAH – let us groan for separation burns  
Let us hope that soon HIS soul love – again in ELOHIM shall return

Woe to wicked hearts – those without soul love  
Wrath and fury it doth come – from G\_D's throne up above  
For G\_D is love its written – YESHUAH be the very same  
Damnation comes to the dark – rejecting the gift, oh what a shame

Consider perfect love – could thou leave and rent  
Who could sacrifice pure love – un-whole a moment or eternity spent  
No greater love be shown – than the sacrifice of The SON  
Selfless soulmate separation – so ABBA's victory could be won

## 8 Days of Light

8 Days of wondrous light - perfect and so wonderful  
Closer and closer to HIM - doth us YESHUAH pull  
Again we cry out loud - LORD how can be this thing  
Resonance of soul love - to each other do we sing

Learning as THOU shows - yes LORD THOU doth teach  
Showing us the Heavenly - showing us where to reach  
Revealing perfect love - fullness of shalom  
Teaching us desire - oh please let us come home

Moments oh so sparse - yes we be from each other far  
Moments of sheer delight - burning light of eternal star  
On one hand desperate yearning - tis just so hard to cope  
On the other hand G\_D's promise - in HIM we trust and hope

In her womb did sprout - pure RUACH truth and grace  
Comes the Son of Man - glory upon HIS face  
Re-igniting light of mankind - oh HIS love we chase  
Pure light from our YESHUAH - can others see it in our place

Oh Channukah thy resonance - yes a holy Feast  
Let thy light and love rage on - oh LORD will THOU please  
Countenance of FACE - please show us GLORIOUS SHINE  
Let soul resonance engulf us - us and our YESHUAH please combine

Soaking kiss of soul love - sweeps across our essence  
Can there be a doubt - we know it is THY presence  
Kingdom spreads to us - in this realm here and now  
YESHUAH's light is real - haya is forever now

8 days of Channukah be - 8th Feast be our LORD's  
Biblical or not - there be no denying Heavenly chords  
Resonance so special - gifted when YESHUAH did create  
Light did come to this realm - when YESHUAH left ELOHIM the GREAT

Run to HIM dear children - please don't hesitate  
Finding living love - HE is mankind's everlasting soulmate  
Let HIS light rain down - let it soak way down inside  
Let YESHUAH's Channukah gift - forever in thee abide

## See As G\_D Sees

Do we see as G\_D sees - what is behind the veil  
Can we see the strength of grace - in the sinful and the frail  
All throughout the ages - from Adam did G\_D view  
The remnant to find grace - the humble and the few

In this realm the look - may not be the very best  
In this realm it may seem - none can stand up to the test  
But beyond the veil great G\_D - does see the innocent dove  
Those on the Torah aliyah - with YESHUAH's soulmate love

Humanism be fine - for the sake of humanity  
Humanism be fine - if one doth seek idolatry  
In it we shall be - but of the Olam we are not  
Children brought by blood - those YESHUAH HE has got

Love not the pride of life - but learn and do G\_D's will  
Turning away from the world - be quiet and be still  
For G\_D sees oh so differently - G\_D sees through our Ozer  
G\_D sees YESHUAH's seed - beautiful and fair

Imperfect as we be - struggling along the journey  
Admitting every day - G\_D be such a mystery  
Quietly awaiting - instruction from G\_D's TRUTH  
Speak to us today dear LORD - let faith be our strong proof

This Psalmist she does cry out - LORD please let it be  
Beyond the veil like THEE G\_D - for a moment let us see  
To look upon the brethren - to see the veil from behind  
To see the grace of YESHUAH - to see their soul love shine

As G\_D's WORD does reveal - "hallelujah" in G\_D do we shine  
Praise and worship HIM in truth - with RUACH oh so fine  
Resonance of saints - reflecting true light of The SON  
This light be pure soul love - in YESHUAH we are one

Oh great G\_D how can we see - the shine beyond the veil  
Despite Creation's beauty - mortality looks so pale  
Let us see as THOU does - YESHUAH let us see the soul  
Let us see the glorious shine - when rebirth makes us whole

Oh LORD let us shine forth - let lovely be upon our face  
Let others see YESHUAH's shine - right here in our place  
Demure and meek and quiet - humble as THOU commands  
Let us shine in THY glory - please let us make our stand

For love of brethren be our standard - rebels we will not tolerate  
Shining in the dark - we don't yield or hesitate  
Humble but unyielding - this be the Psalmist's cry  
Until the day doth come beloveds - to meet YESHUAH in the sky

## ELOHIM Of The Living

Oh GREAT ELOHIM – G\_D of all the living  
This wonderful “haya” – this life THOU us be giving  
Knitting and weaving strings - by THY work and chord  
All to know and live YESHUAH – our SALVATION and our LORD

These steps YOU provide – this straight Halakha  
Revelation of the TRUTH – feet to face Aliyah  
Gently blowing into the soul – RUACH that is right  
Letting us know YOU and YESHUAH - mankind’s very Light

THOU soul love for YESHUAH yes it be untamed  
And for the perfect love – Ezer shall get the fame  
The longing be so dire – oh just to see the face  
To be reunited in ELOHIM – through miraculous Love and Grace

THY WORD oh G\_D – clear declaration  
Pure TRUTH no doubt – pure inspiration  
Yet just words if echoed - by the dead and not the living  
Without love’s resonance – nothing for the giving

But THOU oh awesome MAKER – hath raised up for memory  
Messengers who resonate – who live the mystery  
Living “haya” indeed – when WORD doth give off vibe  
Truth of knowing – real yada comes from deep inside

There be so many who do chirp – trying with facts to seal  
A TRUTH which must be woven – to each a Heavenly reveal  
Leaders, sages and wanna-be(s) – oh so much to say  
Part of rushing waters – who can’t hear or see today

The Psalmist she doth cry out – sending love and resonance  
Not to Y’hudah or Ephraim this time – she cries out to the saints  
There be no help from the Mitzrayim – nor from Ashur - Babylon  
We trust in Ozer YESHUAH – hopes alone on HIM upon

Oh wondrous LIVING G\_D – Isaiah truth did speak  
Await the wonderful child – Mashiach Bridegroom would you seek  
Comes the second gathering – all saints from afar  
Written to Life in Jerusalem – comes our Morning Star

The saints ye be not orphaned – though base things we all be  
Denied by secular Y'udah – same with religious Ephraim you see  
Deep in tribulation – sustained only by YESHUAH's love  
We be planted in HIS vineyard – by ELOHIM above

Yes ye saints be living – little enclaves knitted together  
Don't be sad my brethren – for this be so much better  
This Psalmist resonates to you – blessing to you be given  
Receive you thirsty saints for free – in us YESHUAH's RUACH be living

## A New Thing

The prophets doth reveal – yes oh Heavenly word  
Such pondering and wonder – once the truth be heard  
Why the accompanying resonance - of a song to sing  
When G\_D doth declare – HIS new and awesome thing?

Song of the morning stars did play  
G\_D laid the foundations of the world that day  
Oh yes indeed with new thing - there surely be no yawn  
Get ready lovely singers – time to wake the dawn

Moses and Miriam and the children of Israel  
Sang of wonders from Mizrayim – done by THE GREAT EL  
Yes there be judgments – they have a song as well  
In Chronicles we see how the Earth doth tell

Such new things – G\_D of Israel doth fight  
Jehoshaphat and singers – holy beauty oh so nice  
And what of seer Isaiah – the dead arise and sing  
A new song to our G\_D – HIS temple HE doth bring

Oh do rejoice so grand - for to Tzion returns the King  
Such wonders and great joy – oh yes to finally sing  
Oh happy Isaiah – so much to thee revealed  
So much wondrous news – so many mysteries unsealed

Even G\_D's salvation – oh such wondrous fame  
For those of course the remnant – who go not by their own name  
Then there be the singing – for holy temple built  
Pure and lovely sacrifices – never again to wilt

Let us never forget – when G\_D HIMSELF did abide  
Shekinah in Solomon's day – Israel so humbled and surprised  
Zephaniah speaks of song – King is in the midst of thee  
Zechariah – hears the song – nations shall come and join in glee

Yes new things be coming – foretold ago so long  
Coming round again – can't you hear the song?  
Be careful sleeping children - don't tarry – don't delay  
G\_D's new things you see – they always be at play

Jeremiah hears the song – destruction of Babylon so cruel  
There be songs for all new things – even destruction of the fools  
Ponder for a moment – ponder and be content  
Songs to be sung aloud – for the joy and the lament

Common theme there be though – oh please see it in Torah  
The songs be for the Master – the songs be for YESHUAH  
From creation til this day – new things be about  
The Holy One of Israel – to HIM we sing and shout

Heavens opened wide – did sing their song of peace  
YESHUAH came as flesh –glory is and will not cease  
Consider all the patterns – consider Messianic prophecy  
All the songs be coming – it's YESHUAH can't you see?  
Arrival of the King – yes here HE comes to fight  
Signs and wonders come with HIM – shining ever bright

Wake the dawn beloveds – sound thy voice and string  
Arrives the Morning Star – a new song will you sing  
Temple oh so grand – nothing can be silent  
Heaven and Earth sing oh so loud – yes our LORD has done it

All patterns be fulfilled – again there will be song  
So happy our YESHUAH – waiting ever long  
Quicken lovely Spirit – get ready singing soul  
Song of Lamb be sung so nice – symphony soon be whole

## Sing Chana Sing

Favored but so shamed – lovely but barren left  
Oh sweet and lovely Chana – thou be so bereft  
Mocked and put to scorn – right within thy home  
Doth not thy soulmate – give thee enough shalom?

How thy tears do fall – yes now and all the while  
Soulmate he doth try – try to make thee smile  
Yet forlorn thou be – impossible now it seems  
That the maiden can fulfill – all her lovely dreams

To Shiloh run young lass – plead mercy to the KING  
Lift up thy heart so lovely – now to HIM you sing  
And hear you yes G\_D will – just in the last of time  
Deliverance of thy dream – this shall be thy sign

Now our lovely Chana – oh yes she begins to coo  
Overcome – for her great G\_D did woo  
Special blessing – brings on special song  
Oh how it plays – even to Mashiach that long

Back we go to Chavah – man-child hath SHE got  
How Kayin was her hope – how ELOHIM was forgot  
But Chana be remembered – Chana be not forgotten  
Elkanah did give seed – from ELOHIM a child begotten

Oh yes lovely Chana – thou doth vow to dedicate  
There be real short discussion – even with thy soulmate  
For thy mind be clear – thy path be set in stone  
Thy way be oh so clear – thy path be surely shown

Now doth Chana sing – against those who do mock  
Now doth Chana sing – of SALVATION the ROCK  
Now doth Chana sing – blessings for barren forlorn  
Now doth Chana sing – lifted be her horn

Now doth Chana sing – against the ones so high  
Now doth Chana sing – dead ones lifted to the sky  
Now doth Chana sing – of glory that doth await  
Now doth Chana sing – of the beloveds and their fate

Oh so lovely Lady – thy song doth beckon so  
Sweet resonance so nice – a love song don't you know  
For judgment it doth come – to all G\_D's enemies  
The wicked shall not inherit – bless the saints and coming glory

Sing Chana Sing – YESHUAH be thy song  
Sing Chana Sing – a day and forever long  
For blessed these days you are - barren thou not be  
Now set on high – lifted up with the royalty

Thy song doth sing in Miriam – did we hear it play  
Oh so lovely song – she sung so nice that day  
RUACH did bend realm – haya intersected her soul  
Down across the times – Song of Chana it did roll

Thy song sweet maiden resonates – plays now in this late age  
Confounds the wise and haughty – confounds the sharpest sage  
For favored yes thou be – thy not-barren song doth ring  
Thy song doth usher in – SALVATION, yes the KING

So Chana she doth smile – tears be wiped away  
G\_D doth surely favor her – blessing her each day  
Sing and sing she does – her haya be her song  
Bless THEE ELOHIM – saints to YOU belong

Song points to Mashiach – who would this contest  
Song of coming SON – last birth be the BEST  
Yom T'ruah stars – child in the Heavens given  
Chana sings her song – what wonders for the living

## Peter's Mantle

Such a special blessing – on Peter it did fall  
He listened to his brother – he did heed the call  
Emerging as their leader – yes he was so bold  
See what is the truth – see how Scripture has us told

There for all the big events – never missing one  
Told to feed and tend the others – commandment from the SON  
Knew YESHUAH was Mashiach – from ELOHIM he did receive  
Faith yes it was bold – left the boat he did believe

Notwithstanding great denial – his faith be such a portrait  
Wonderful charge to do – such a gifted fate  
Testimony on Shavu'ot – oh the words so grand  
Thousands on that day – his words they did understand

Prison could not hold him – like YESHUAH he just did walk  
His appointed time not yet come – of the community he was the talk  
Passed such great a test – when he told lame one to stand tall  
Witness to Goy calling - he testified to all

Discerning yes he was - knew when truth it not be told  
Work against the RUACH - dead the two turned cold  
Power in his walk - people healed just by his shadow  
Path took Peter to Babylon - to the very end we know

Of all the Talmidim - Peter's mantle be so strong  
To Peter did YESHUAH give - special blessing song  
Though not the first one called - Peter surely was select  
Mantle given by YESHUAH - the WORD lets us detect

Like all - our Peter was not perfect  
There be some things yeah wrong - some things he might neglect  
Perfect wearing mantle though - Messianic mission did he lift  
Peter did shine brightly - wearing mantle gift

Unspeakable joy be his - exhort others to never forget  
Persecution and temptation - beloveds do not let  
The great hope of the appearance - of HaMashiach YESHUAH  
Be HOLY for HE is HOLY - stay close to HIS torah

Love each other oh so much - let love shine ever so  
Let love withstand iniquity - always love do show  
Let elders feed the flock - let elders ever shine  
For even stuck in Babylon - G\_D's order be divine

Please do make thy Aliyah - Peter doth exhort  
From faith up to G\_Dliness - this be Peter's report  
Finally let love shine - to make election sure  
Pure love for G\_Dly brethren - this be the how much more

With Peter there be no fables - nay no fairy tales  
Messianic mantle - so strong none could assail  
Testimony oh so strong - it be ever brave  
Stand against false prophets - mantle would not cave

Be wary Nicolatians - thy day shall come real soon  
Coming be the darkness - no light from sun or moon  
Let the scoffers scoff - beloveds just believe  
By revelation faith and love - thou surely shall receive

Peter where be thy mantle - where be so strong witness  
Patiently we await - struggling we confess  
For latter days be here - Messianic mantle it doth come  
Received by oh so few - received sadly just by some

Yom T'ruah

Yom T'ruah shout and Yom T'ruah song

BO YESHUAH BO - waiting far too long

Come take back THY throne - come and take the land

Lead us tarrying KING - take us by the hand

Such power and righteous anger - mankind pay for what you've done

Comes the KING of KINGS - comes the HOLY ONE

No more "we the people" - YESHUAH HE shall rule

Daveed upon the temporal throne - it be ever cool

Cleanse THY house so nice - please hurry THOU DEBIYR

Chanukah be coming - some do look with fear

THY return it be so glorious - fire and the smoke

Run you mortal men - on HIS Pesach glory thou will choke

And how will land be cleansed - holy ones shall carry the ARK

Traveling all around - shouting, blasting - oh the hark

But first the "seventy" doth get smote - oh how could you gaze

Vengeance is the LORD's - oh fools where was your praise?

Don't think because you're Jacob - that you shall get away free

Holy Ark doth cleanse it all - to YESHUAH bend the knee

Town by town the land be cleaned - on Earth a piece of Heaven

All the rebels and unbelievers - months to clean them will be seven

Reconstruct the land - make desert lush and green

Oh YOU KING of Aram - Abraham's inheritance oh so clean

Pave the way for the others - coming from other pen

Taking care of them as well - just like a mother hen

Who will find their Rachav - look for scarlet cord

Gather oh so close - gather all the more

For survival song be sung - amidst the judgment onslaught

Who doth seek escape - who shall not be caught

Psalm 119 be the sign - yes delight in the Holy Law

Finally after so long - holiness it does thaw

It be the latter times - yes the latter days

LORD we shall seek THEE - how we love THY ways

So new Aliyah takes off - lovely millennial ascent  
Blessed be those who cleave - bless are those who be present  
Preparation time - King rules with iron rod  
Oh great joy and happiness - sin shall try to plod

Working up to the frenzy - rebellion doth take hold  
Yes we know the story - long ago t'was told  
But final bellow sounds - ELOHIM from Heaven commands  
There be no fight again - there be no final stand

Away with sin and defilement - finally it be all done  
No more strife to come against - the one and HOLY SON  
Then there be just waiting - for the sign from Heaven sent  
Comes the SALVATION of our G\_D - comes the big event.

So listen for the trumpet - wait to hear the sound  
Coming KING is anxious - let fear and love abound  
Will you hear the shofar - will you hear the shout  
Will know what's going on - what this be all about?

## Yom HaKippurim Song

Afflict thy souls – yes mortals cry  
This be that day – when our souls question why  
The LORD Of HOSTS – Soulmate of ELOHIM  
Doth the impossible – it be Yom HaKippurim

Oh yes warrior SON – be Pesach haGOEL  
Redeeming us with strength – snatching us from hell  
But innocent lamb – yes perfect and tender dove  
Let mortal man defile – to soothe ELOHIM above

And mortal man be us – oh yes you and me  
Afflict the soul so mighty – do it without pity  
For each and every soul – did pull and gnaw on flesh  
Each and every one – each and every nephesh

How can the soul be quiet – how can the soul be still  
Writhing in such agony – knowing my soul it did kill  
Guilty in every way – no sin left aside  
Oh poor soul do pour out – there be no place to hide

And don't forget the fear – the wrath of G\_D to visit  
For those who do contemn – those destined for the pit  
Sin it be atoned – through bloodshed of the Perfect One  
Ozer/Ezer be the same – Soulmate is the SON

Horror did come down – the brutal flesh assault  
Our YESHUAH pummeled again and again – cause it was our fault  
Unspeakable horror seen – his body became a curse  
All sin he did become – horror all the worse

What kind of G\_D we have – fashion what cannot be spoken  
Send soulmate down to suffer – yes the covenantal token  
Ripping out HIS own soul – to give mortal man clean slate  
Because THOU hast done this – today my soul I hate

What is this kind of love – forbears everything  
Oh my soul doth wish – of this now I could sing  
But taring flesh and agony – of EZER in me resonates  
Gnashing teeth of defilers – destroying G\_D's most lovely soulmate

Momentary loneliness – EZER calling out all alone  
Wanting it to stop – wanting to go home  
Why hast THOU abandoned me – could there be no other way  
Now my soul doth understand – it helped when all did slay

How can there be peace – how can ever joy return  
Heart and soul doth cry aloud – how it all doth churn  
Ruach it doth plead – affliction please do wane  
Affliction be so ominous – how can I stay sane

Now be the time for G\_D – THOU know that I do mourn  
Forgive me G\_D most high – THY soulmate I did scorn  
But understand I do now – shadows of THY love reveal  
Extent of THY mercy boundless – I know that it is real

Please do spare me wrath – THY anger G\_D it seethes  
Only for the mourners – blood of EZER does relieve  
The fear of punishment eternal – for failing to believe  
But not the pain of what I've done – for on this day I bereave

Can I comfort THEE perfect DOVE – hold THEE in my arms so tight  
Knowing that I cannot look – upon such a terrible sight  
Might my tears of heartache – yes my tears of shame  
Be used to clean thy body – I know my mourning be so lame

But affliction needs relief – what say ye when tears run dry  
What else can soul do – what else can soul try  
Oh yes I hate mankind – as much as THOU doth love  
What kind of G\_D art THOU LORD – so HOLY up above

Please cover me in blood – you precious wondrous DOVE  
In this I shall find – tender mercy and THY love  
For ELOHIM THOU did this – to appease HIS broken heart  
Thank YOU G\_D of all – THY own soul THY ripped apart

Yes woe it be upon me now – what soul deserves to live  
What price can there be paid – what of worth be there to give  
Oh great G\_D of mine – YESHUAH my everything  
Affliction over THEE today – it be Yom HaKippurim

## Shir Sukkot

Oh please let us sing – yes it's been so long  
Let us sing with yada – let us sing so strong  
Not by G\_D's great power – not by G\_D's great might  
But ever perfect RUACH – ever just so right

Sing of Jubilee – regathering of everything  
Brought home by YESHUAH – this truth we do sing  
Sukkot be about family – indeed G\_D's before you and me  
Let us ponder such GLORY – ponder such MYSTERY

There be EZER and RUACH – and of course the SON  
Plurality of ELOHIM – we sing of HIS victory won  
Split apart so creation – again could build back up  
Coming home again – oh ELOHIM fill THY cup

What a wondrous family – echad yet once again  
All of ELOHIM – together in the end  
This be the joy complete – this be the end of shalom  
Who doth get to witness – when G\_D doth gather home?

Better pay attention – no you better not blink  
Don't miss this one great chance – the Psalmist she doth think  
Our joy it be so full – when great reunion doth take place  
Oh see the glorious smile – oh ELOHIM look at THY face

There be talk of beautiful bride – talk of lovely soulmate  
What about EZER – what of rented soul's fate  
Doth the mortal comprehend – grand celestial reunion  
Consider all things as one – ELOHIM'S soul communion

YESHUAH He doth declare – how ABBA doth HIM show  
YESHUAH knows the patterns – knows the way that things must go  
What of bride and seed – what pattern can we see  
What be this wondrous thing – bride, children the entire family?

Of Sukkot we see – picture of holy family  
Counted all together – in the place from where they came to be  
Back to the “above” – place from where they did depart  
Back to the place “above” – from where the ONE did start

Yes our joy is HIS – in unimaginable majesty  
Incomprehensible BEING – perfect family plurality  
First there be HIS time – joy and shalom for ever more  
Then blessings through YESHUAH – to HIS family doth HE pour

Think of how creation – oh yes the great big bang  
ELOHIM did speak into existence – oh how the stars they sang  
When the CHILD was born – yes how the Angels did sing  
When a sinner doth repent – the bells in Heaven ring  
ELOHIM doth make all things new – oh yes the greater event  
Made possible because – G\_D's soul from Heaven was sent  
New creation made by ELOHIM's joyous laugh – when finally all come home  
Immanu'EL amidst extended family – ELOHIM THOU are shalom

The Psalmist she doth sing – her heart and soul be lit  
Considering SOUL returning – oh what a perfect fit  
Jubilee what means this – why doth we mortals think of us  
Think of ELOHIM's great joy – this be righteous and just

Please sing the Sukkot song – RUACH teach us how to play  
Sing thy lovely resonance – teach us what to say  
Keep our eyes wide open – yes how we want to see  
ELOHIM's great family – enjoy MAJESTIC JUBILEE!
