

## Jihad II - Breaking the Silence

Greetings children of G\_D Most High ... may you still, during these times of tribulation, be abundantly blessed by THE G\_D of Abraham, Isaac and Jacob ... THE G\_D of Israel ... THE ETERNAL G\_D of all creation!

For years now we have watched patiently ... waiting ... pondering ... and yes now suffering as the olam collapses under the onslaught of powers and principalities. May we remain steadfast and hopeful and resigned to the will of ELOHIM!

Quite ironic that while we see the WORD of G\_D manifest so vividly in the world ... the very days of Noah and YESHUAH rush upon us. All the while voices of the hosts of purported believers has been virtually silent. Eyes are blind and ears are deaf! They remain sleeping as: liberties are stripped away ... constitutions are rewritten via whimsical draconian dictates ... mass panic disrupts economics and life across the world ... nations succumb to globalism ... and on and on! Who would believe the report?

And many ask ... where are the signs?

The signs beloveds are "EVERYWHERE" ... one need only look. Yet even at the highest heights of synagogues and churches we see only business as usual. It would appear that the rebels and anarchists are preparing better than YESHUAH's own children ... it is quite disheartening indeed.

Yet there are some like our own Psalmist who has been resonating ... sending forth both love songs and numerous messages in the hopes that some would hear and listen and act! These messages, when pondered, depict oh so clearly what has been and is happening! Yet through the last four years of broadcasting the numbers of site visitors and down-loaders remains only steady. It is clear that so few really believe we are in anything but a global bump in the road ... that the later days are not growing shorter and shorter in number.

So why Jihad II? The answer is simple dear ones: The onslaught of the enemy is a holy war to THEM! With the utmost fanatical and religious fervor, the globalist seek destruction of all that is good and really HOLY. So why can't we see them for who and what they really are? Where is the smoking gun exposing the perpetrators of such wicked machinations?

The answer of course is that ELOHIM is the one WHO has levied the great delusion. It is G\_D WHO has dulled the senses and rational thought processes of peoples ... because the peoples have abandoned G\_D!

"Let science save us ... heal us ... we are afraid of death!" This is the cry of the peoples be they purported believers or not! Is it simply the scribe or can others see this festering disease, the delusion, take hold of our most precious institutions, liberties and yea our very lives?

Who more so than dear Israel has emerged as the head and not the tail? Yet so very sadly for the world in horrible way. In their zeal to become just like one of the nations, Israel has succumbed so rapidly to the delusion ... not only putting their trust in mankind ... but more so championing this folly as a sign to the nations. And this folly is a sign indeed as Judah joins with Ephraim in goring the nations. Who then will lead the world back to Torah if not Israel? Woe to the Earth!

But seriously fellow travelers ... here we are on the very eve of the 20<sup>th</sup> year anniversary of the world changing event that was 9/11/2001 ... another date that will live in infamy. Perhaps this anniversary 9/11/2021 hurts even more as we simply sit back and watch the battle being abrogated ... sit back as the great USA spits and urinates on the graves of those who lost their lives that day and the thousands more patriots who sacrificed their lives combatting that wickedness which they referred to as "Jihad"! Even now abandoning their own ... it is a disgrace of monumental proportions.

Well there is a reason why the name is *Bavel* ... a reason why the peoples are so confused ... that reason of course is clear only to those who cleave to and soak in the truth of G\_D's WORD. Yes of course the scribe knows that we are the dung of this world and that our truth is the folly upon which they giggle and scoff at ... but know now that same giggling is being replaced by militant disdain! They will no longer tolerate having the truth resonated ... they will no longer tolerate the corrective WORD of REALITY!

But still the convergence of realms looms closer and closer as the linear folds in upon the circular. The repetitive patterns of G\_D's revelation(s) are there for all to see and none have excuse!

Oh yes Jihad I has given way to Jihad II ... and now the tribulation of the saints becomes the stark reality. Who thought that Israel would temporarily escape the beast's wrath through acquiescence? But this also shall wane!

Get ready for the recoil beloveds of THE LORD ... the roller coaster is heading for a treacherous downward drop and all must hold on tightly to what you have!

Just the other day I saw a very tell-tale look on an individual at the local convenience store who was quite perturbed that I was not wearing a mask. So she told me quite crossly that just because we are vaccinated that we need to be mindful. Naturally her annoyance turned into horror when I informed her calmly that I was not vaccinated and also that I would appreciate her keeping her distance from me since she is most likely a spreader of whatever disease is being spawned within these poor individuals. She looked at me with grave disdain and then stated that because of people like me everyone will suffer and die ... I should be ashamed of myself she snorted!

Frankly this poor woman encapsulates the stunning ignorance of the masses. We already know, despite the lies of mainstream media, that vaccination does not stop the spread of COVID.

## Nearly 60% of hospitalized COVID-19 patients in Israel fully vaccinated, data shows

Of 514 patients in Israel hospitalized with COVID-19 as of Aug. 15, 59 percent were fully vaccinated, according to an Aug. 16 article from *Science* that cited national data tracked by Israel's largest health management organization. The figures suggest breakthrough infections may be more common than the "term implies, the report suggests.

"This is a very clear warning sign for the rest of the world," said Ran Balicer, CIO at Clalit Health Services, Israel's largest health maintenance organization. "If it can happen here, it can probably happen anywhere," he told *Science*.

The country has one of the world's highest COVID-19 vaccination levels, with about 78 percent of those ages 12 and older fully vaccinated, mostly with the Pfizer vaccine. At the same time, Israel now has one of the highest infection rates in the world, potentially a sign of waning vaccine immunity as the highly contagious delta variant spreads, *Science* reports.

Yet still the lies continue ... the loss of liberties persist ... the intrusion by the Powers grows and all things point to forced vaccinations ... or else. Ironically after the release of the news article above it appeared that everything globally turned upside down and within a week or so the news continues reporting how nearly 99% of individuals being hospitalized due to COVID were unvaccinated. C'mon ... how silly and stupid do they think we are? Sadly the answer as an overall population is "very stupid"!

If one is not convinced of such things just search for news about what is going on in Australia these days ... it is surely a portent of things to come globally!

Back in the capital seat of Bavel ...

## Sweeping new vaccine mandates for 100 million Americans

*Democracy Dies in Darkness*

President Biden on Thursday laid out far-reaching coronavirus vaccination mandates and other plans to fight the pandemic that resurged this summer in the United States with the highly contagious delta variant.

The measures will affect tens of millions of Americans and include mandatory coronavirus vaccination for all federal employees and contractors; vaccine mandates for workers at businesses with 100 or more employees; mandatory paid time off for workers to get shots; and immunization requirements for the workforces of all health facilities that accept Medicare or Medicaid funding.

WASHINGTON (AP) — In his most forceful pandemic actions and words, President Joe Biden on Thursday ordered sweeping new federal vaccine requirements for as many as 100 million Americans — private-sector employees as well as health care workers and federal contractors — in an all-out effort to curb the surging COVID-19 delta variant.

Speaking at the White House, Biden sharply criticized the tens of millions of Americans who are not yet vaccinated, despite months of availability and incentives.

“We’ve been patient. But our patience is wearing thin, and your refusal has cost all of us,” he said, all but biting off his words. The unvaccinated minority “can cause a lot of damage, and they are.”

So now it is apparent that those who choose to put their fates into G\_D's hands ... those who choose to forego this ominous and vile physical intrusion ... those who see this scenario unfolding in a manner oh so close to Biblical Prophecy ... are essentially to be deemed as enemies of the state.

Yes this is the sad fact of the matter ... at the end of the day this experimental mRNA and nanoparticle concoction ... this fast tracked scientific wonder ... this solution which does not appear to solve much of anything ... assuredly has its purposes! For some these purposes appear to be quite nefarious leaving those who do not drink the kool-aid looking at the scenario where soon they might neither be able to buy or sell ... hmmm!

Let us not be asleep beloveds ... we were warned two thousand years ago how things would play out ... how tribulation would escalate ... the signs to be watched for! The Jihad is upon us and the least of our worries is ISIS or Taliban ... though of course they have their parts to play!

Jihad II is indeed a holy war ... it is the war against the Saints. If one does not consider the implications of what is coming ... then perhaps a reminder is in order:

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 13:17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. 13:18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

Vaccination, Contact Tracing, Humanism, Globalism ... who would ever in two thousand years ... believe this report?

Flee beloveds ... flee to the hills if you can!

All power, glory and praise to G\_D MOST HIGH forever and ever!
